On Broadway. This was the feeling of students throughout the year as we found ourselves under the spotlight. Whether in academics, sports or thru organizations, Union students shined.

For the 2nd year in a row four Union students were named National Merit Semi-Finalists. The Renegade Regiment brought fame to the school by taking 7th in Nationals and winning the State Championship Color-Guard from undefeated Broken Arrow. The Renegade football team ended their season 10-3 taking District and Regional Championships as well as All-State players with them.

Spirit and support were the main factors of this successful year. Students were more involved this year than ever before. This credit is given to the organizations and clubs that backed our #1 school. Patrons and parents were out in full force as was evident by the large crowds at all events.

True dedication and enthusiasm was how Union got to the top. And students here know how it's done!

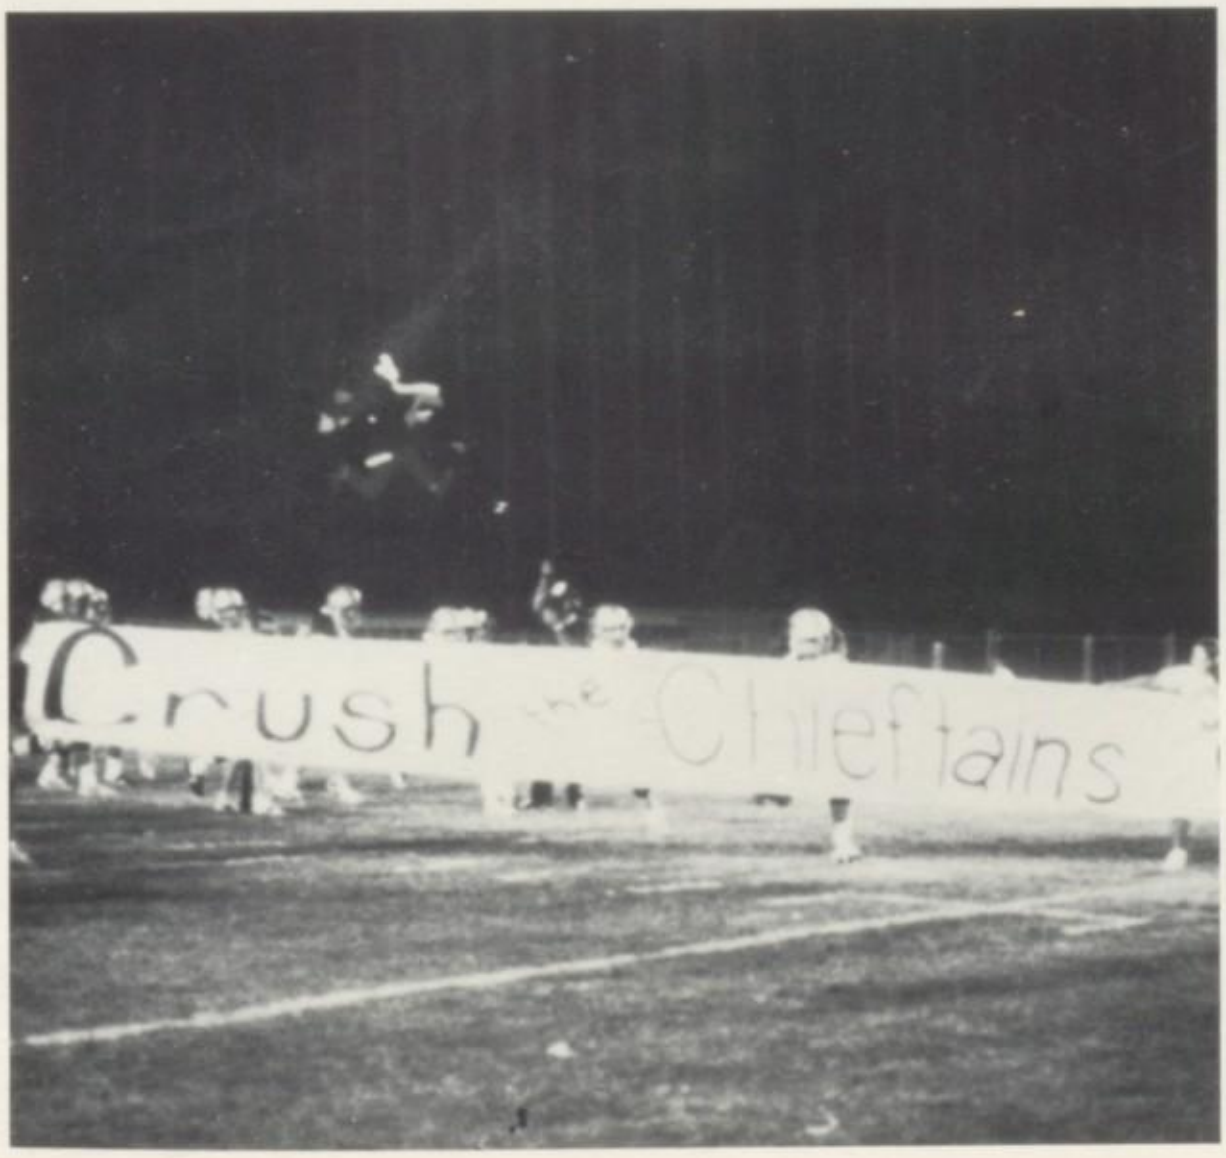
Student Life . . .

Act I...

Now showing at Union High School — You! In the pages of the 1982 yearbook, we have recorded the greatest year in Union history. Lay back and let the past year unfold in front of your eyes!



Union . . . Where the Action Is

Involvement this past year reached a peak that couldn't be beat! The entire Union District put forth an effort unparalleled in the school's past. The football team received the most support of any team in years. The new scoreboard and the miniature footballs, were both examples of the spirit exhibited by local businesses and Security Bank.

Spirit signs were seen constantly around the school. Pep assemblies were different, this year, they had pep. The student body was able to blend its school spirit with artistic ability in the ever popular pastime of shoe polishing cars. Union will go down in history for making this activity a fine art.

"Without us, there could be no school!" A statement from the Drama dept.'s production of "Up the Down Staircase" poses the question, "What would school be without students?" (A studentless school, no doubt) Union has many things going for it; good faculty, good facilities, and a thriving student body. Not only were we spirited, talented, friendly, we were also creative, especially with our language. From Union, such classics evolved into "Kick," "mellow," "jam," "Blow it off," "lay back," all of which we did on a large scale! The 1982 school year was a momentous one with the increasing activities. Another year goes by proving once again "Union is moving Up."

A Studentless School?

Union Goes Preppy

Beware! You have an alligator on your shirt! Preppies were the rage this year and oxford, izods, polos, docksiders, pennyloafers, Nikes, Levi button-ups; nickers, Lee jeans, two shirts and no socks were still the fad. The famous Gloria Vanderbilt and Calvin Klein were showing their faces again as well as the blazer look, worn by both boys and girls. Union students really knew how to show their stuff!

Whip It!

The beat goes on at Union. This year the students experimented with a new sound in music, punk rock. This music was unique, therefore it quickly became accepted.

The student's interest varied from good ol' rock n' roll, country-western and the widely appreciated Christian contemporary. In essence, the student body would listen to anything you could put on a turn table. Music is an influence on everyone's life and is an important part of the flow at Union.

Kirsten Whealy — Ice Skating

Leonda Gage — Vibrophone

Hobbies

Kirsten Whealy has been ice skating for seven years and a member of the Tulsa Figure Skating Club for six. She has been in numerous competitions, advancing to the Southwest Regionals in both Intermediate and Novice Ladies.

Leonda Gage has been playing the vibrophone for seven years. She was chosen outstanding soloist at the Tri State Music Festival, has received solo superior ratings for the past four years, member of Tulsa Youth Symphony, All State Honors Band, and teaches percussion and performs professionally.

Ricky and Randy Johnston, sophomores here at Union, have been racing bikes for a year and a half. During this time both have won many outstanding awards and have taken first at Expo Racing Track here in Tulsa. Ricky took 1st in the expert division and Randy took 1st in the open division.

Ricky and Randy Johnston — Dirt Bike Racing

Participation in the Homecoming activities showed the true colors of both students and faculty and their involvement was overwhelming. The sophomore, junior, and senior classes competed in a wall decorating contest and a float contest. Various dress-up days were held which gave the students the opportunity to show his or her school spirit.

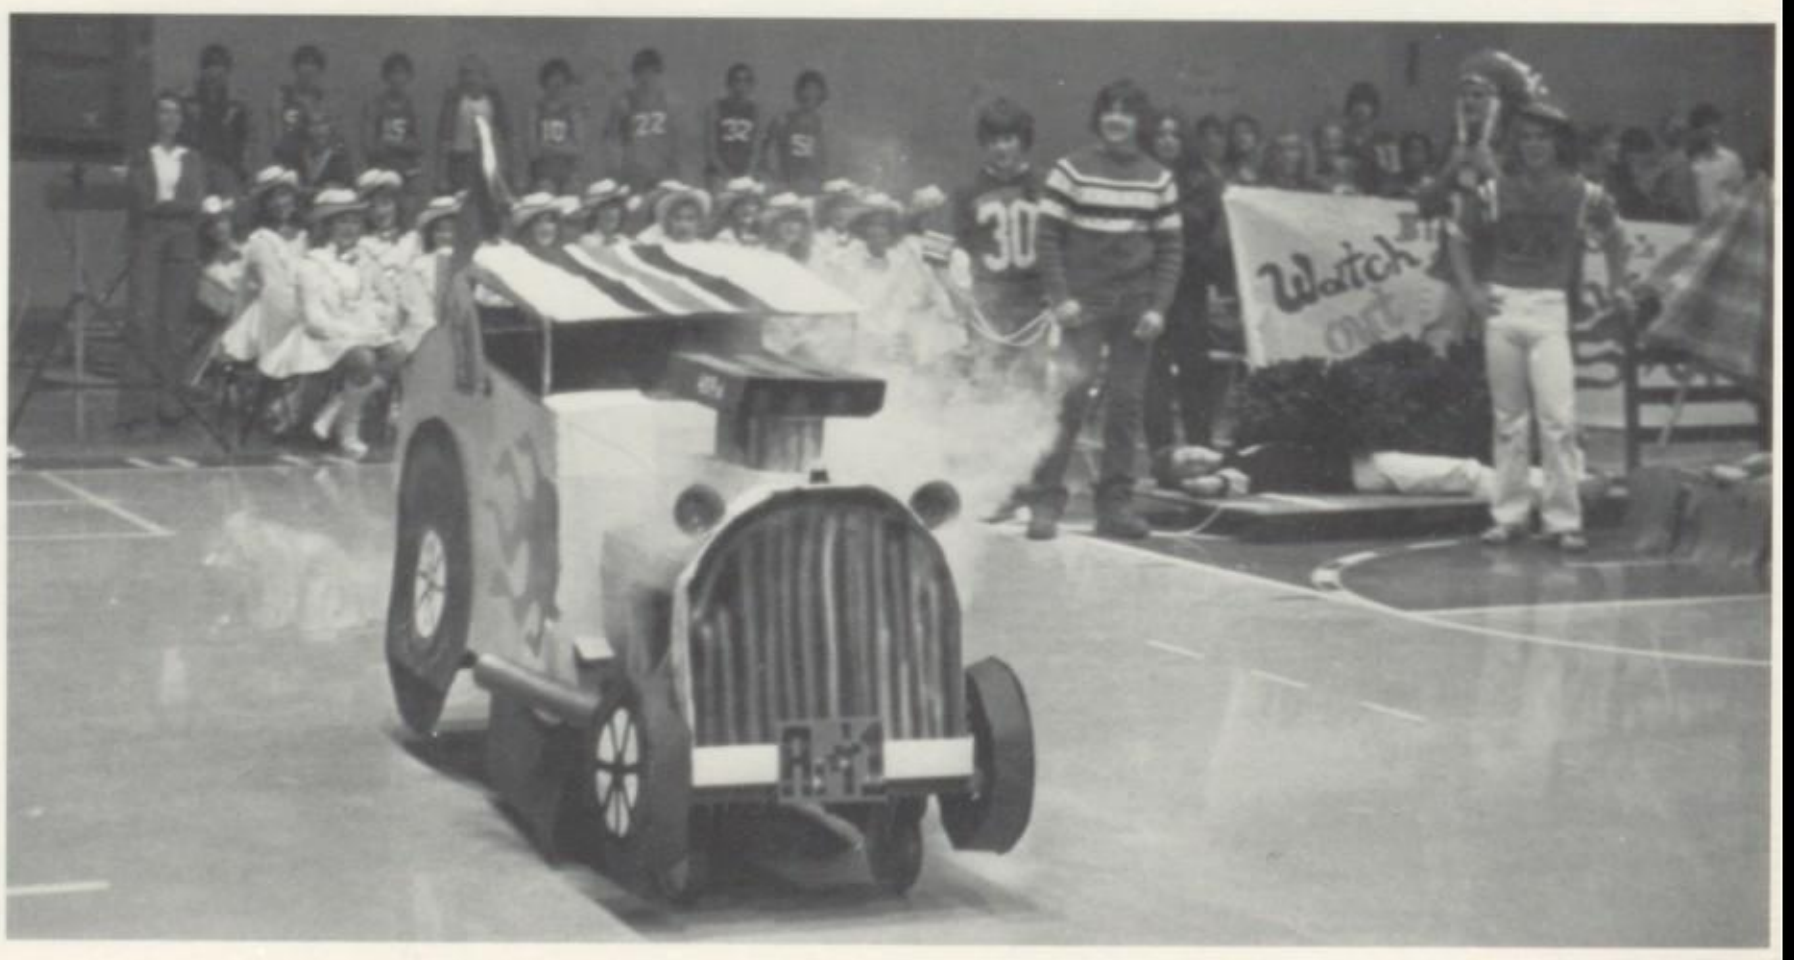
Organizations . . .



Act II

Organizations are the most vital part of school activities. They provide spirit and back school programs no matter what the cost. Without this support, we would lack the togetherness that keeps us #1!

Regiment Rules

The Renegade Regiment has been very successful this year. They attended the Marching Bands of America national competition in Whitewater Wisconsin and also Southwest regionals, which was held in Houston, Texas. At Houston they received the distinctive rating of third place. They also went to the Oklahoma Bandmasters Association state level of field competition and received awards for best over-all music, color guard and percussion. Also they were awarded the trophies for second in class 4A and from finals competition first runner up. At the district level they were given a superior rating. Also at the Pryor Invitational, drum majors Chip Doudican and Lynda Higley won best over-all drum majors. The band also won the class 4A parade competition at the Catoosa contest, defeating Broken Arrow. Both the drum majors and parade awards had never been won by Union before.

These many achievements represent not only the hard work of the band members, but also the outstanding leadership of the band director Ray Bell, assistant director Ted Auwin and the color guard instructor Douglas Henderson.

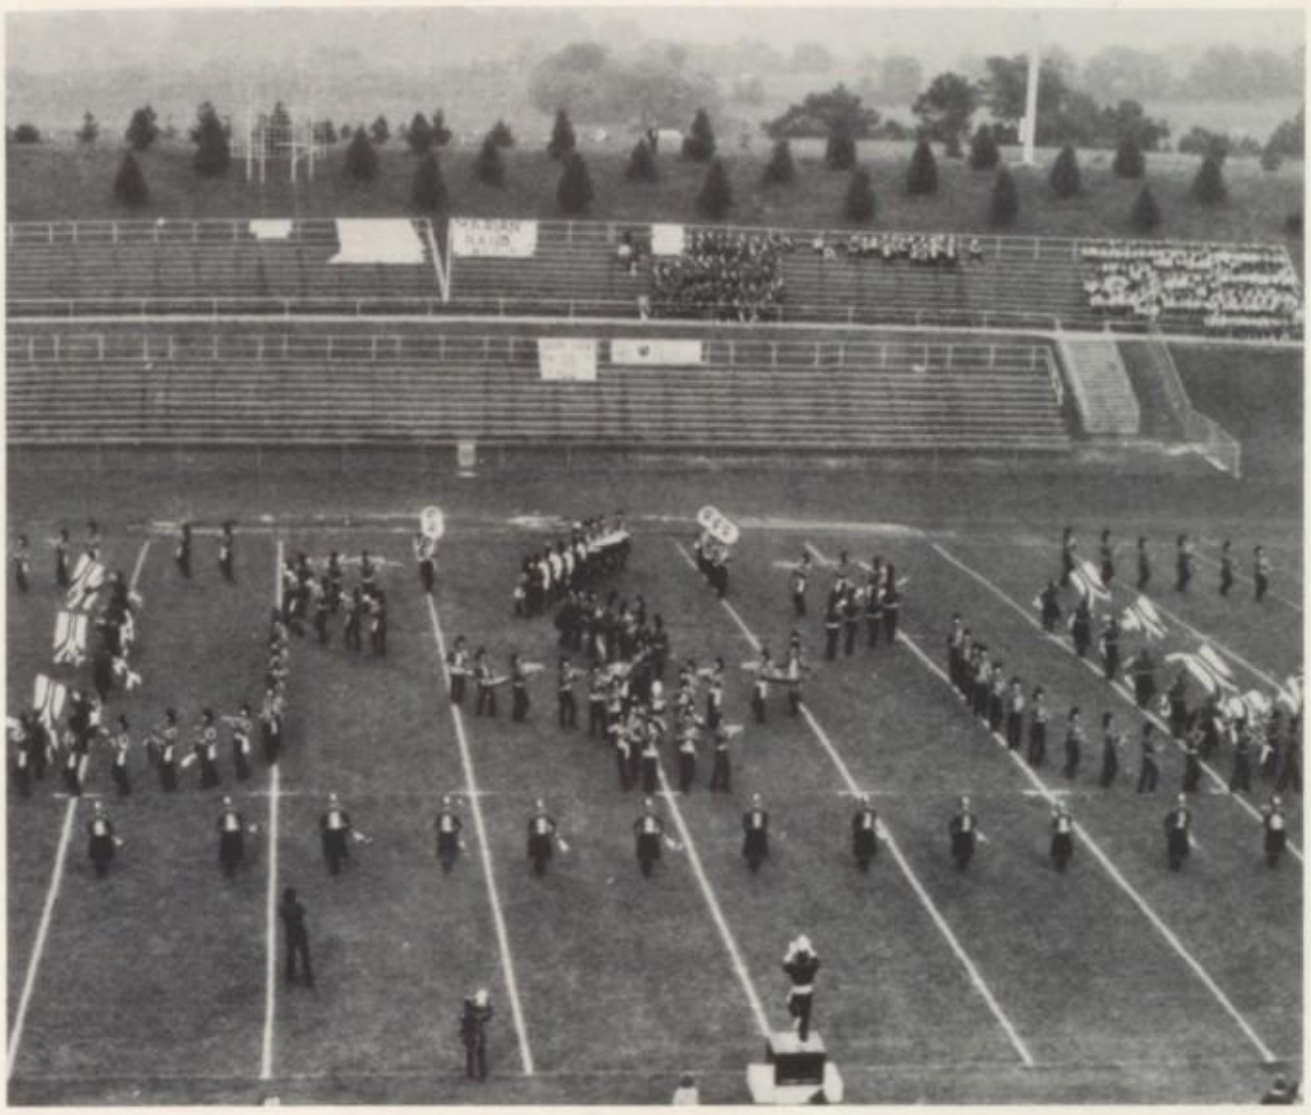
Summer Success



The Renegade Regiment went to Whitewater, Wisconsin for the Marching Bands of America national competition this past summer. The contest was held at the University of Wisconsin.

The band received a high score in preliminary competition and qualified to be one of the top twelve bands to march in the finals competition. In finals they received a score of 68.75 which gave them the trophy for seventh band in national competition.

Through hard work, giving vasts amounts of time and devotion the members of the Renegade Regiment proved themselves as one of the top bands in the nation.

Musical Magic!

The music department has had a successful year. Several new classes were offered for students and the response was great.

Chamber Singers was a newly formed choir which performed at the public concerts held four times during their school year. Concert choir concentrated on "pop" music, performing music by Dan Fogleberg, Neil Diamond, Barbara Streisand, Styx, and others. Jazz Choir was offered for the first time as a credited course, singing vocal jazz songs in showcase arrangements. The Choralettes were an all girl performing group which incorporated choreography into their musical presentation. They performed throughout Tulsa at civic and social functions, and at the concerts held here on campus.

Council Provides School Support

Of all the student activity in school, the student council may have the best opportunity to provide guidance and direction for students. Student Council encourages the development of positive student attitude, works for effective communication between students and the school community, and assumes responsibility for student leadership.

When the council sees itself as an important student group contributing to student welfare and helping create a harmonious school atmosphere in which all may learn to the maximum of their ability, the council is then close to the heart of the purpose of the school.

Give 'em a "U"!

The Varsity Cheerleaders are leaders among leaders, striving to unite Union with Spirit. They attended camp last summer and came back with five superior ribbons and won the spirit stick every night. They were also selected in the Award of Excellence.

The cheerleaders are constantly working to raise school spirit by making signs, selling ribbons, and always putting on a good performance. Before the football season, the girls provided fruit for the players after practice and during the season they decorated the school, stadium and lockers. The girls worked very hard all year and are commended for their fine work.

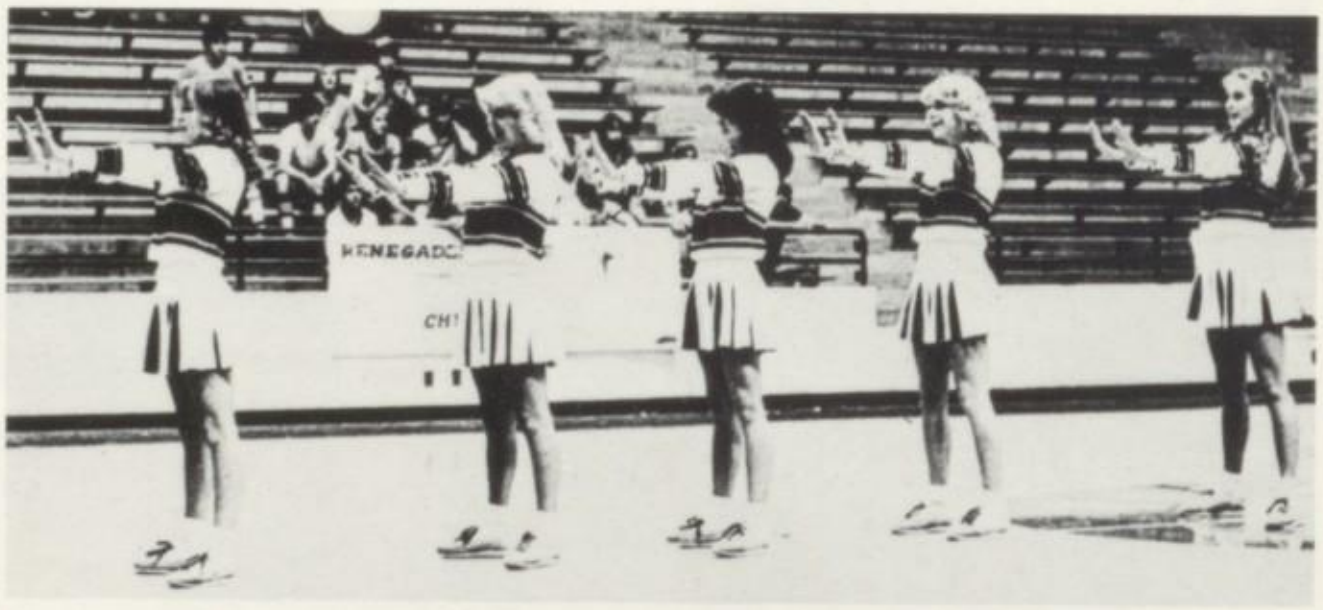
Front Row — Beth Olson, Erica Davis, Vicki Bitting, Beth Beatty, Tisa Hunt. Back Row — Margaret Jay, Mary Battoe, Lisa Klingenburg, Melissa Connor, Angie Strickland.

Jr. Varsity Follows Thru

The Jr. Varsity squad cheers for both the Sophomore and the Jr. Varsity games, therefore, they are constantly working hard to encourage team support.

The Jr. Varsity squad came back with 4 superior ribbons and 1 excellent ribbon during camp last summer.

Front Row — Karen Duke, Kendall Brumley, Valisa Barton, Stacey Downes. Back Row — Rhana Thornburgh, Shana Marlow, Tiffany Kietzman, Cindy George, Kristi Spohrer, Kathy Brown.



Wrestling's Best Side!

The main goal of the wrestling cheerleaders is to promote spirit and provide support for the wrestling team. The cheerleaders attend all wrestling matches, tounaments and meets throughout the season. While at school, the cheerleaders make signs and sell ribbons for the next match. Mrs. Terri Kelsey, cheerleading sponsor, helps organize the meetings and back the girls in decisions they make. This past year there were a total of 12 cheerleaders on the squad and through their efforts the season was one of the best.

Front Row — Michelle Anderson, Diane Morgan, 1st Row — Claudia Bingham, Lisa Baker, 2nd Row — Brooke Callery, Kathy Welch, Margaret Weeks, Janice Hampton, Back Row — Julie Shock, Pamm Bullock, Stacey Clover, Kim McMillian.

Steppers Shine Strong, Fantastic

Kicking high, looking sharp, begin precise, and smiling, these along with grades, and teacher recommendation are the qualities a highstepper must possess.

Captains, Debbie Barnett and Lezlea Hallmark, have led their unit to the Arkansas High Kick and the Oklahoma State Drill Team championship. Last spring the Lord Mayor of Dublin invited the drill team to international competition in Ireland.

The routines are made up by the girls although some routines come from camp. Music for the routines is chosen according to the type of audience that will be present. Television appearance, college athletic events, and parade marching outline the year round drill team program.

Family Helps Community

Big Family is a club that involves the whole school. There is a wide variety of activities such as, the powderpuff football game, the Blue and Gold Sausage sales, hayrides and different parties for all the holidays. Big Family does many community services, such as, passing out Halloween bags at Children's Medical Center and serving refreshments to Osage Manor Residents.

Far From Just Fair

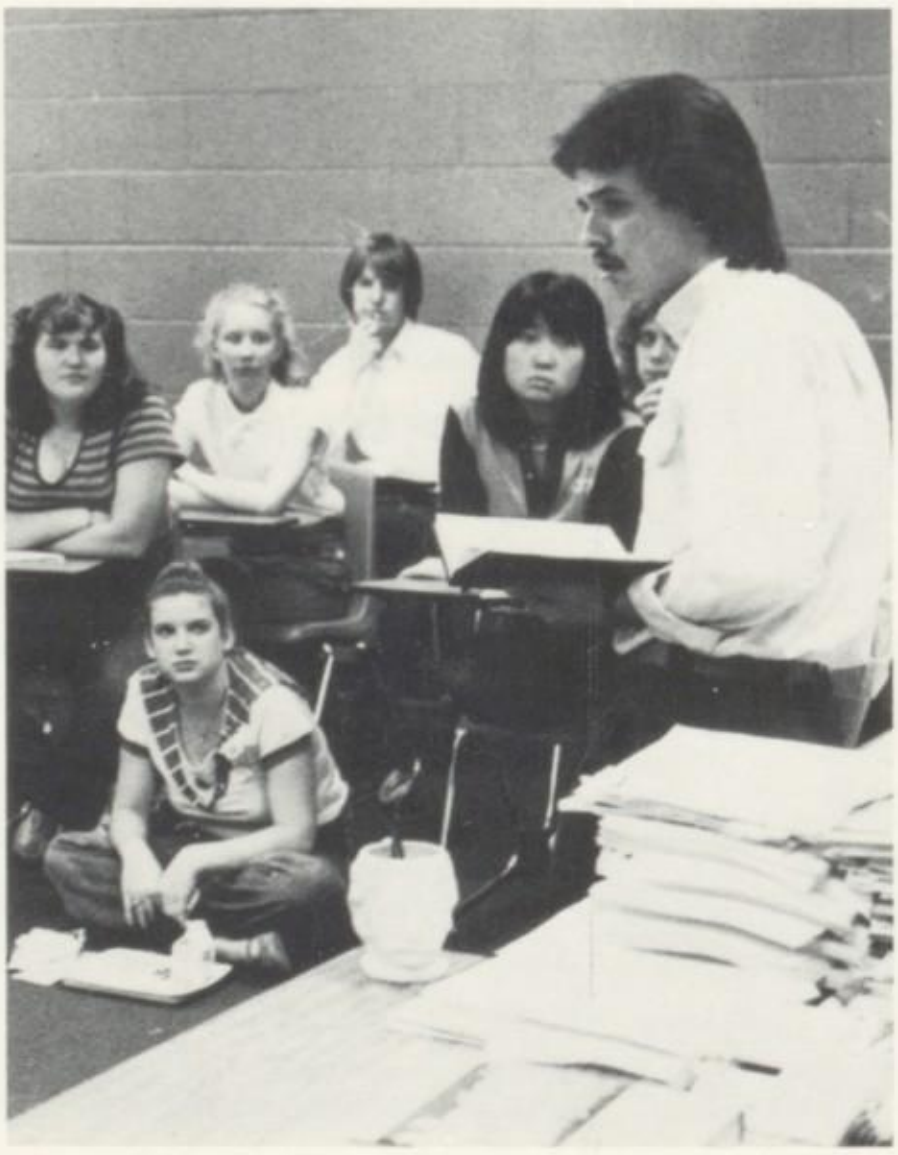
This year's musical "My Fair Lady" was presented to the Union District on March 8, 9, and 11. Directors Jane Finley, Bill Peterson, and Stan Hughes held auditions early in January to give the cast of twenty Union students two months to present an excellent showing of both acting and musical ability. Rene Lyman portrayed Eliza Doolittle who was taken off the curbstone as a flower girl and transformed into an English "Lady" in an experiment by Jimmy Lawbaugh portraying Prof. Henry Higgins. Other Union students having lead roles were Scott Walker, Chris Hoover, Charlotte Zakharian, Charlie Emerson, Tacy Joffe, and Lori Kanitz. The rehearsal pianist for the production was Leonda Gage.

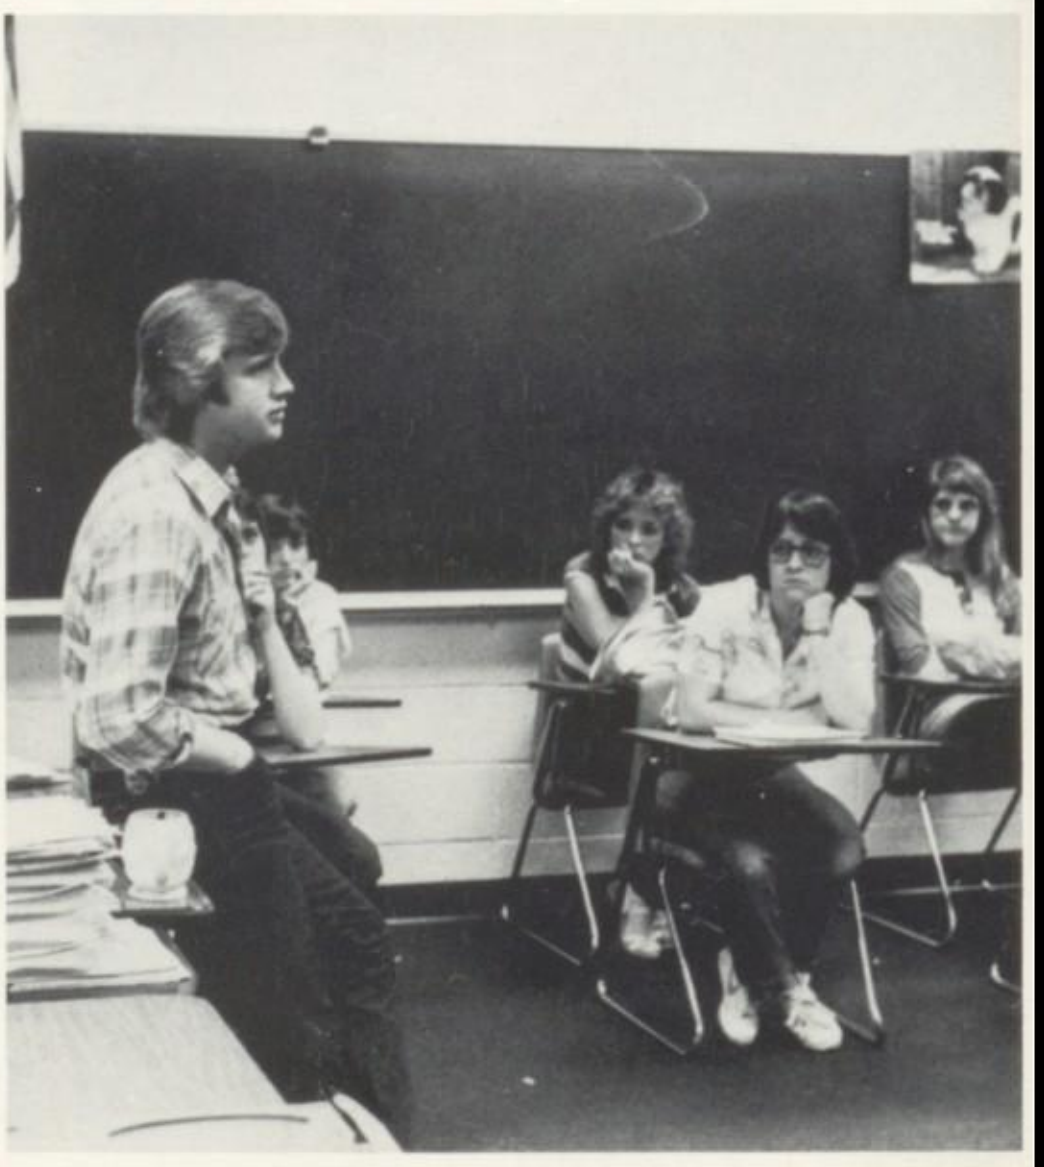
FCS Is New

Fellowship of Christian Students formed this fall as a sister organization to FCA. This new club, headed by Senior Wayne Clark, Sophomore Debbie Batson, and Junior Debbie Duffer found as its main purpose to "Spread the light of Christ at Union High School."

Primary activities to reach this goal included weekly Bible study, prayers and occasional special events.

In the final 9 weeks, FCS received new direction through affiliation with the national Christian Campus Outreach organization, Youth Alive. Youth Alive which is geared to all students, organized and led lunch meetings once a week with the help of adult advisor Jonathan Smith. Lunch meetings featured singing, sharing, fun activities and special guests. A highlight this spring was a mini-concert by composer and recording artist, David Stearman. FCS sponsors this year were Mrs. Janis Fowler and Mrs. Carole Liston.





Christian Athletes

The Fellowship of Christian Athletes is an organization designed to provide an opportunity for students to share their Christian experience. FCA meets weekly at a different members house. Here they discuss many things such as Bible, School, Athletics, drugs and so on. The highlight of the year for FCA was their annual ski trip. This year they took 60 people to Crested Butte, Colorado for the best trip ever. Sponsor Coach Slemp and all of the members of FCA said they had a great year this year and are looking forward to a better one in 83.

DECA Pride

The purpose of the Distributive Education Clubs of America is to develop occupational competencies in the field of marketing and distribution and promote understanding and appreciation of our free enterprise system. Membership in DECA is open to any full-time student enrolled in a Distributive Education instructional program. The Union chapter of DECA has 42 members. As DECA members, Students have the opportunity to associate with others who share common career interests in the field of marketing and distribution.

Key Club

The Key Club is a service organization that was put together to help local business. This year the Union division of the Key Club furnished a game room for the Tulsa Speech and Hearing Association. Throughout this year the Key Club has sold candy and donated all of their profits to the heart fund. In April they set aside a Saturday and painted Shephard's Fold Church Camp. This is a Kiwanis sponsored camp for children who can't afford to pay for themselves. The officers also attended a national Key Clubmeeting in Dallas during April.

Drawing Power

The Art Club, a local chapter of the National Art Honor Society, strives to further the creative abilities of its members and to foster excellence in artistic expression within the Union High School Fine Arts program through field trips, great artists and special workshops. Among the club's accomplishments for 81-82 are the tour of the Kansas City Art Institute, the first Union Championship Mud Wrestling Competition and their annual winning of the Homecoming Float Contest.

FBLA Grows

Developing strong aggressive leadership in America's future businessmen and women is the primary objective of the Future Business Leaders of America. Thorugh leadership activities and skill competitions at the local, state, and national levels FBLA members learn to compete honorably with fellow students who share similar goals. They learn to engage in individual and group enterprises and how to lead others and direct the affairs of a group.

VICA on the Move

The Vocational Industrial Clubs of America is a national organization of young men and women enrolled in vocational trades, industrial, technical, and health education programs. The Union Chapter of VICA has 47 members this year and is looking to enlarge next year. VICA also promotes high standards in trade, ethics, workmanship, scholarship, and safety and is the tool used to develop the ability of students to plan, organize, and carry out worthy activities and projects through the democratic process.

Honor Society

This year National Honor Society is under the direction of Mr. Ray Strickland. The groups officers are Gwen Gooch — Pres., Allison Hendrickson — Vice Pres., and Deanna Hamilton — Secretary. The members actively participated in Senior Pride Week and the Homecoming Float Competition. Their "Yellow Submarine" took third place. However, the work they did was not always for themselves. A week before Christmas break they conducted the "5 days of Christmas" as a tribute to the teaching staff of Union High School. This spring there are fifty-two new inductees for next year, and we hope their years with the society are as fruitful as this one.

Competitive Speech

Front Row — Burton Copeland, Ken Dugan, Ann Kleir, Jimmy Hampton, Angela Lucas, Stan Hughes. **Back Row** — Darrin Brock, Mike Grimes, Tammy Moore, William Vest.

Competitive Speech at Union High has had a busy but very fulfilling season this year. The tournament squad has brought home trophies from Washington H.S., Memorial H.S., Norman H.S., S.W.O.S.U. at Weatherford and Miami H.S. The squad consists of students from Mr. Hughes' Introduction to Speech Class and Competitive Speech and Debate Class as well as students in Mrs. Finley's Theater Arts and Drama Classes.

Members of the squad qualifying for regionals are Greg Hopkins, Keith Bland, Darren Farr, Bryan Craig, Janice Payne, Tammy Moorland, and Burton Copeland.

Science Club

The science club was formed early in 1982 to promote an interest in science-related fields at Union High School. Students were invited to attend regular Thursday morning meetings in which we talked, held informal discussions, and had guest speakers. Our main activity this year the sale of poster calendars for a fund-raiser. We also conducted a school-wide survey involving creation and evolution.

Future plans included a Rubik's Cube contest, and field trip to the Omniplex in Oklahoma City. The science club has finally gotten its feet off the ground and our 1982 members feel that we have set a solid foundation for the science club in the future.

Front Row — Darci Shaw, Wayne Clark, Steve Tannehill, Darrin Keller, Vikas Bangia, Mr. Bell, Craig Cummings, Daniel Howard, Debbie Batson, Charles Zang, Sudha Srinivasan.

Union's Fine Arts Department has grown with great leaps and bounds. They started off the year by presenting "Up the Down Staircase." It was soon followed by Union's first annual dinner theatre. An Olio was presented, then followed by a melodrama with the traditional good guy/bad guy and maiden in distress. Our melodrama "Blazing Guns at Roaring Gulch" was also presented to the student body. The annual Spring musical was "My Fair Lady" and was a smashing success. Competitive speech became popular among drama students. "Runaways," the contest piece, placed fourth at Regionals. We were also able to qualify many students for regional speech competition. Drama club's main purpose this year was to entertain the Union audience and have a good time doing it. Officers were: Pres. — Greg Hopkins, V.P. — Jane Law, Sec. Treasurer — Renee Cook.

Voice Speaks Out

Beginning their work early in June, members of the journalism staff attended a summer workshop at Oklahoma University. Those who attended were Jeff Planner, Alan Taylor, Wendy Schettler, Linda Bell, and Mrs. Oswalt. Here they learned new ways of laying out the paper and ideas for publishing a better one.

During the year, the paper was entered into competition for each months issue. Special awards were given to Linda Bell for indepth article, Kelly Quarticcio for newswriting, and Gary Smith for most original advertising.

We Did It

The goal of the 1982 yearbook staff was to put out a book containing the people and events of the past year. Under the direction of advisor Mike Weaver the ten member staff spent the entire year working on each section separately to make sure it was done right. Surprisingly enough, through all the chaos and fighting they managed to put out a book the students could be proud of.

Act III

This is it! The best season Union has ever seen in sports. Never before has a school accomplished as much with the strife and ability our athletes have shown this past year.

District, State Within Reach

The 1982 football season was the best ever in the history of Union High School. The Renegade footballers, under the direction of head coach J. W. Emerson, celebrated their second consecutive District Championship and qualified for state playoffs.

Union returned 12 starters along with 12 more returning lettermen. Of those 24, 20 were seniors who saw action last year. To top that, the Renegades were rated 1st in preseason polls.

For the 1st game, Union was matched up against Stillwater. After a tiresome battle, Stillwater won 27-14. This dropped the Renegades down to 9th place. The next three games were more convincing though as Union defeated Sapulpa 48-0, Sand Springs 36-15 and Tahlequah 15-6. But the footballers' victories came to a halt.

#1 rated Bishop Kelly was next on the schedule and the team knew it would be tough. Kelly upheld their ranking and defeated the Renegades 17-3 dropping Union to a 3-2 standing.

The Renegades weren't through as they proved by winning the remaining five games and taking District Champs. The final scores were Union over Jenks 10-7, Webster 35-22, Bartlesville College 35-14, Owasso 13-3 and Bixby 40-21. The Renegades regular season record ended 8-2 and were ranked 2nd in the state.

Trojans Bite The Dust

On October 9, the 7th ranked Redskins defeated Jenks for the first time in 12 years.

On a third down at the 21 Irvin fired to Mike Cook for 11 yards and a first down at the Trojan ten yard line. Irvin later passed nine yards to Jeff Long on the one. Then on a pitchout around the right side, Stiedley plunged the final yard making the first score of the evening 7-0.

Jenks came on the rebound in the fourth quarter when Greg Hollinger scrambled from the ten yard line to make the score 7-7. But the Union defense wasn't through yet. With 9:58 on the clock, Bill Antonisse kicked a 45 yard field goal to put the Redskins on top 10-7.

Suddenly the game began to change for the Trojans. Hartshorn rambled his team for 39 yards to Union's 26 and were threatening to score. On a fourth down play, cornerback Joe Thompson intercepted a Hartshorne pass on the Union ten yard line to clinch the Redskin victory.

All-State All Right!

This year four of our football players brought additional recognition to Union High School. Seniors, Ernie Fisher, Stan Fields, Todd Bullock and Junior Todd Stiedley were selected as All City players for their tremendous abilities shown on the playing field. Further honors were awarded to Ernie Fisher and Todd Bullock as All Metro players. The highest awards given were to the two same players honored as All-Staters, Ernie Fisher and Todd Bullock. Congratulations go to these fantastic players and their achievements.

Closer to State

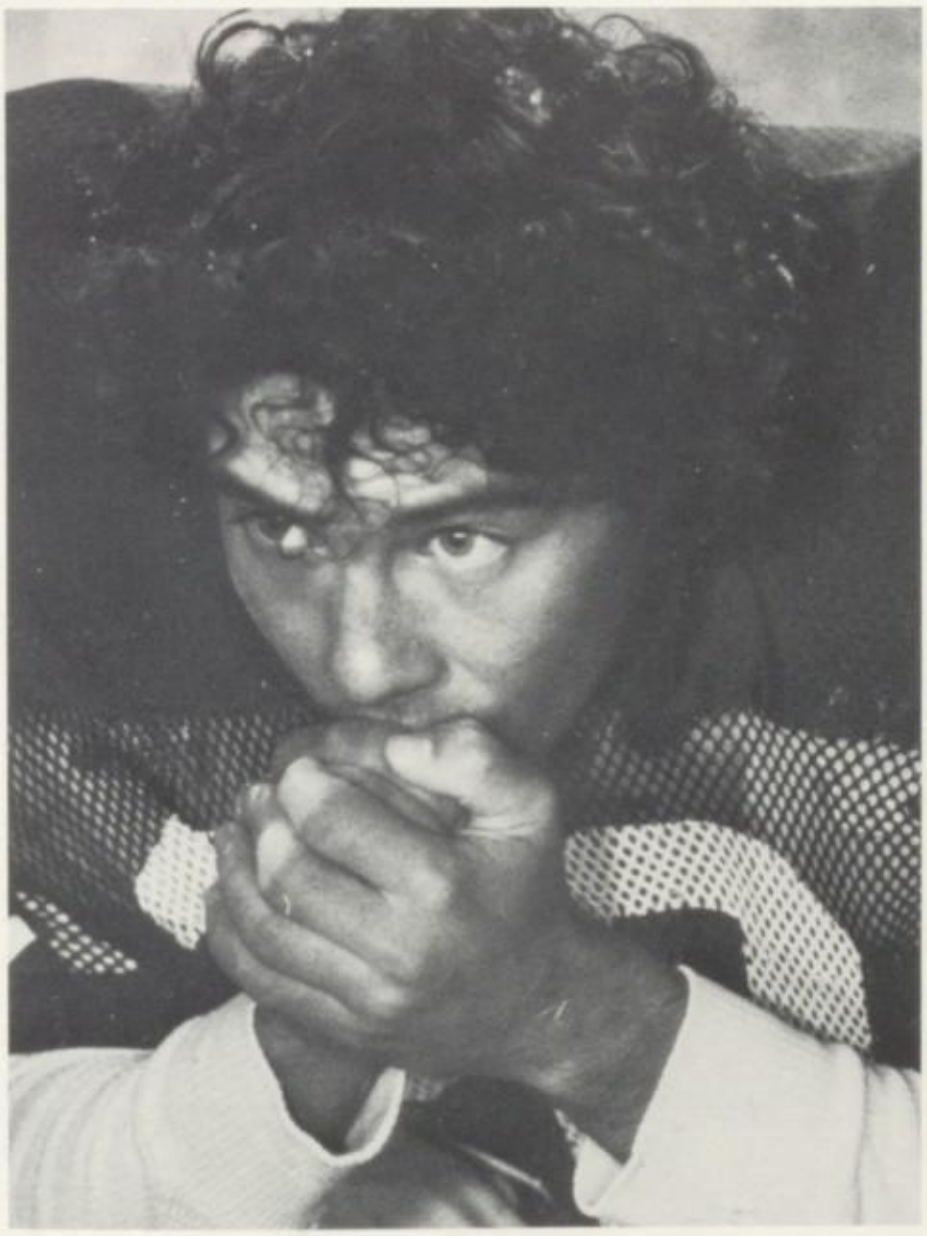
The Renegades advanced to playoffs with a convincing win over Bixby 40-21 as they began a must-win, every game situation.

Offensively and defensively Union held McAlester to only one touchdown and dominated the entire game. As a result the Buffalos were defeated 44-6.

Moving on to quarterfinals Union met head-on with Claremore. But the Renegades were too powerful as they romped over the Zebras 28-7.

For the first time in history Union made semi-finals. Their match — Bishop Kelley.

What looked like an advance to state playoffs was only a dream. Early in the game, Kelley took the lead and continued throughout the game with the Comets on top 42-21.



B-Ball on Rebound

The basketball team got off to a good start December 5 by defeating Bartlesville College. This year head Coach Ron Sumner's team returned 4 of 5 starters and 9 of the top 10 players for the new season. Before the season started, the team members practiced daily on basic skills and drills to prepare them for their future games. Drills consisted of passing, dribbling and running and other skills needed for a quality player.

The team also participated in two tournaments throughout the year. At the second annual Redskins Roundball Classic, the team placed overall. At the 4-State Classic in Coffeyville, Kansas the Redskins placed.

Working For Goals

The Lady Redskins returned strong this year under head coach Carol Goddard as they opened their season December 5. All season long the girls perfected their quickness in defense and offense as well as in shooting and guarding skills.

The girls knew that team effort was important. With the help of Coach Goddard and the practices they had all season, the ladies felt confident that this was the key to their success.

New to Class 4!

The 1981 Cross Country season brought new accomplishments to the team. After their second year of competition in 4A sports, the boys team advanced to state finals for the first time.

To prepare themselves for the season, they set up a schedule for practice. Every morning each team member ran six miles and in the afternoon continued by running sprints.

Under the direction of Coach Jim Bradshaw, six returning senior starters were the key to this success.

Front Row — Kevin Gerty, Jeff Williams, Cecil Delrosario, Charlie Bushihead, Mike Geis, Jeff Roach. **Back Row** — Jeff Schokly, Bruce Brenner, Matt Edwards, Mitch Steitz, Damon Wagner.

State Champs

The girls Cross-Country team, for the fifth consecutive year, captured the 3A State Championship and the sixth State Crown. Coached by Jim Bradshaw the team had three all-staters honored who were Lori Bushihead, Rachel Williams and Bridgette Robertson. Other players were Julie Schock, 15th and April Bryant, 25th. "These girls have a lot of pride," said Coach Bradshaw. "I was kind of scared towards the end, but the season turned out great. I'm just glad this year is over."

Grapplers Win State

The Redskins made their first appearance in class 4A state wrestling this year and left a big impression.

Union ended their season with a 10-4 dual record and a 3-0 tournament record. But the main accomplishments were regional and state champs.

At the end of the season Union was rated 4th as they entered regional competition. Here the Redskins qualified nine wrestlers for state finals to be held in Norman. The following placers were 1st — Brent Fergeson, Todd Stiedley and Jack Chamberlin. 2nd — Jack Cherry, Steve Koskey and Todd Bullock, and 3rd — Kent Grissom and Harlan Trout.

Once at state Union followed closely behind Midwest City until the fourth and final round. From then on the Redskins were neck and neck with the Bombers down to the last match.

Union trailed Midwest City by three points after the 190 match and needed Todd Bullock's win to clinch the title. Bullock was to wrestle East Central's Doug Rawlinson who had gone undefeated for the past two years and had previously defeated Todd five times before.

As the match reached its end, Todd was leading Doug 12-3 and won not only state championship for heavyweight but pulled the team from behind and won the competition. The final score was Union 101½ to Midwest City's 100½.

3's Charm

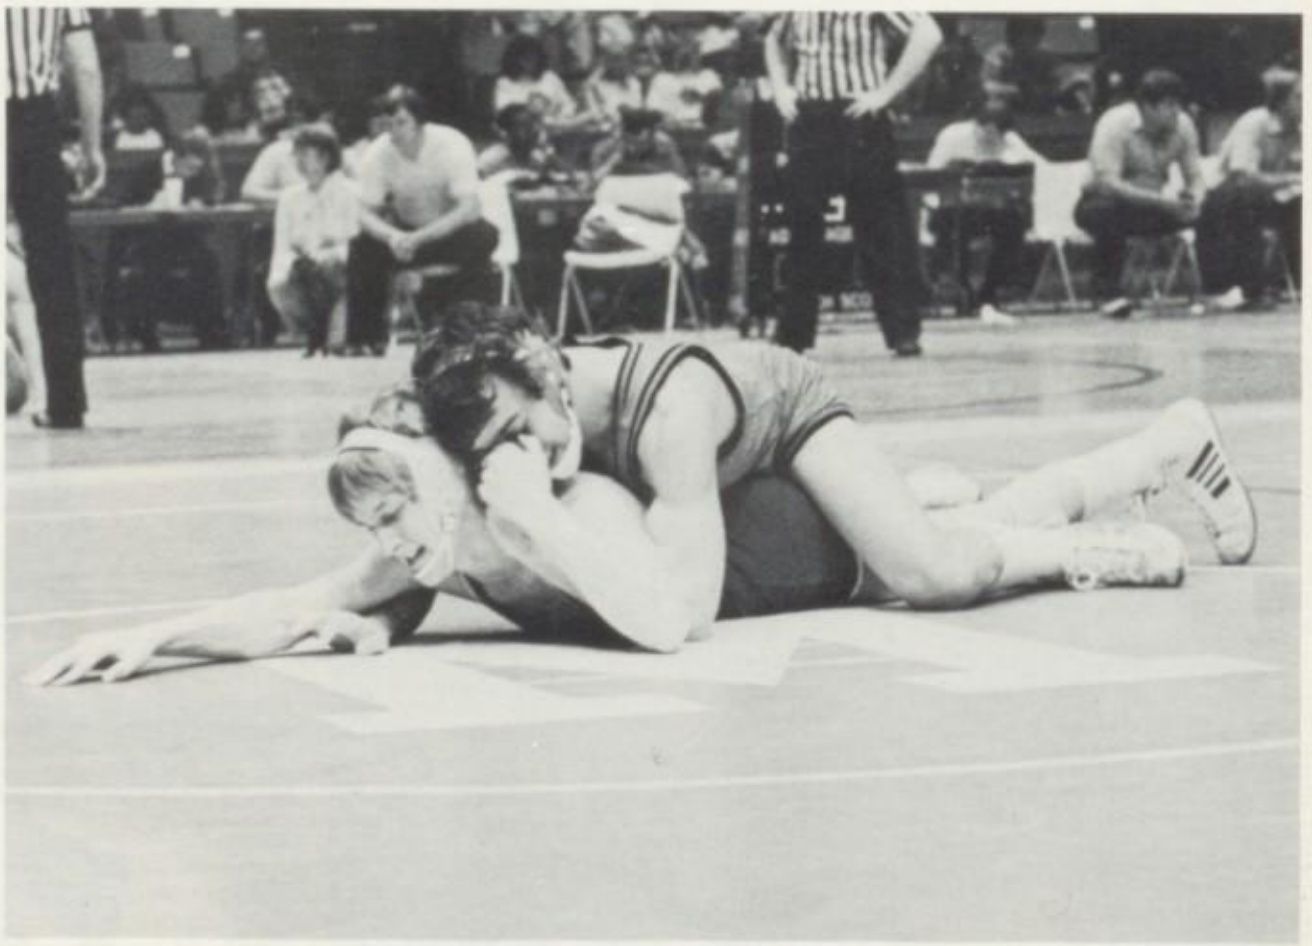
The Union Matmen traveled to three tournaments during the past season and dominated in each.

At their own Union Classic, Union tied with East Central for first place with 152½ points.

They traveled next to the Geary Tournament held in Geary, Oklahoma. Here the Redskins topped Midwest City and East Central with 137½ points.

The final tournament was held in Yukon, Oklahoma. Union won the tournament for the second year in a row and proved this with easy win of 165½ points over the closest team, Catoosa, with 127½.

At the conclusion of the season, senior Jack Chamberlin was named All-Stater along with Brent Fergeson and Bill Loud as 1st team alternates.



Front Row — Eric Roepke, Mike Steel, Paul Hickman, Doug Henningan, Marty Padan, Tommy Durbin, Mike Patrick, Todd Bullock. **1st Row** — Danny Snellgroves, Jeff Hanson, Gary Goodwin, Pete Mann, Mark Patrick, James Frihart. **Back Row** — Jim Hill, Greg Brown, Robert Stone, James Stephens, John America. **Not Pictured** — Donny Jay and Jeff Long.

Power Lifts

As one of the newer programs here at Union, the power lifting team has cropped many new athletes into competition. Coach J. W. Emerson leads an eight member team into practice every day starting with basic lifting.

At lifting meets, members are given three lifts in each category: bench press, squats, and dead lifts. After lifting one weight, the lifter increases the amount of weight on the next two lifts. At the end of the competition the lifter with the highest total of weight added together, is determined the winner.

Special recognition goes to Donny Jay for being the outstanding lifter for the past two years and to the entire team for placing first at the three tournaments they entered this year.

Running, Working

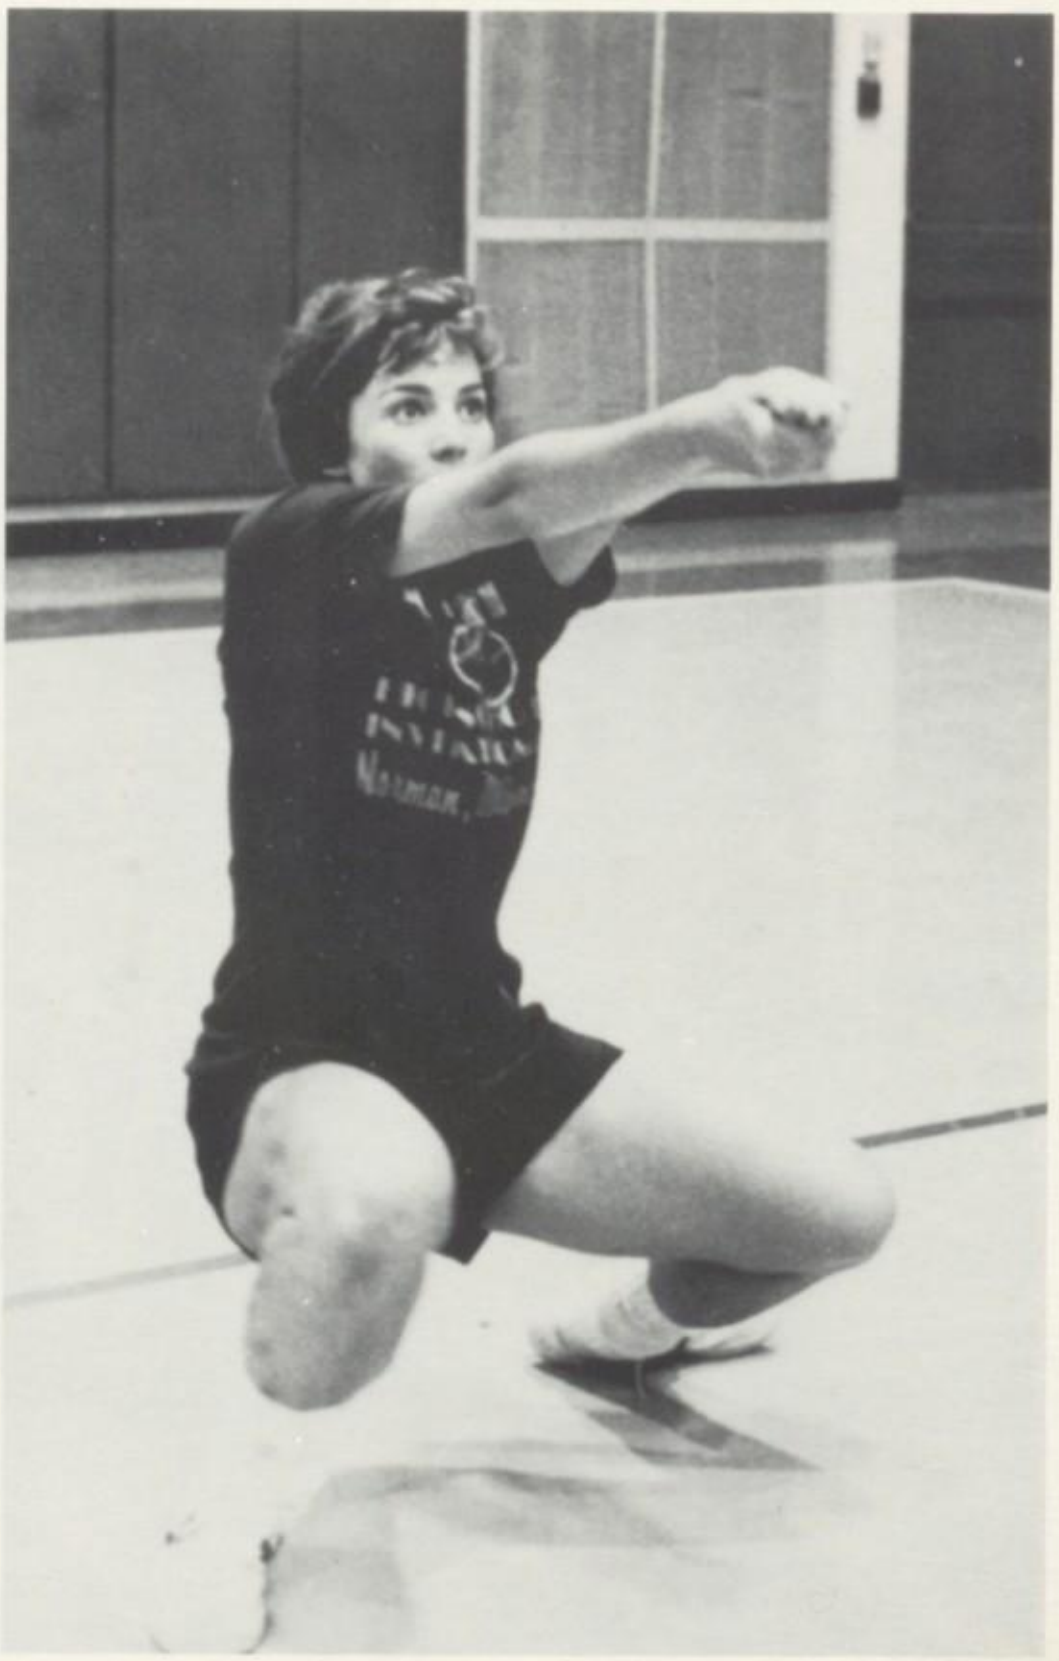
Practice, practice, practice is how the track team stays #1. Each day members practice in the specific areas in which they compete. Some members may enter more than one area if they specialize in it. Competition ranges from shot put and discus throw to pole vaulting and sprints. Other areas include hurdles, long jumps and high jumps. Union is known for a strong athletic program and the track team proves this.

Front Row — Rachel Williams, Janice Hampton, Margit Verhulst, Melinda Bright. **1st Row** — Coach Jim Bradshaw, Cindy Darrough, Brigid Robertson, Julie Schock, Lisa Jones, Coach Don Jones. **2nd Row** — April Bryant, Lori Bushihead. **Back Row** — Julie Cotner, Julie Hecht, Ashley Thompson, Kristen Jones.

New Sport Growing

Starting their second season here at Union, the volleyball team began practice in early January. Team members Sue Leiding and Janet Harris were selected all-conference players and the team itself won 2nd at conference this year. Coached by Carol Goddard, the team has improved their skills and is making volleyball a major sport here at Union.

Front Row — Jennie Seehafer, Janet Harris, Sandy Foster, Robin Thompson. **Back Row** — Coach Carol Goddard, Michelle Monteith, Patty Hebron, Sue Leiding, Cynthia Vernen, Mary Kay Mason.



Balance Skill

With an increasing interest in gymnastics, the program grew very well this year. Under coach Jones the gymnastics team worked each day to better themselves in their routines for the oncoming meets. The girls competed on the parallel bars, the balance beam and in the floor exercises. Seniors Dianne Duckworth and Keli Mays led the team members thru the season and helped prepare them for next years competition.

Front Row — Laurie Smith, Joelle Seaton, Karann Brandt. **1st Row** — Keli Mays, Tracy McDonough, Kim Geis, Jill Onstott, Dianne Duckworth. **Back Row** — Coach Ellen Jones.

Practice Pays Off

The golf team has made great improvements in their pgoram in the past few years and it has paid off in this season's showing. The team won 3rd at the metro tournament and 2nd at the conference meet with the help of coach Robin Robbins.

To prepare for the year's competition each member played eighteen holes per day and hit on the golf range for an hour. Five guys and five girls were then selected to play in the matches, which averaged three each week. This dedication is sure to make the team stronger than it already is.

Front Row — Billy McHugh, Jeff Long, Jimmy Rush, Keith Horn. **Back Row** — Coach Robin Robbins, Mitch Stietz, Lenie Martain, Brad Naifeh.

Interest Expands

The tennis teams opened their season against the Sapulpa Chieftians on March 10 as they began their climb to the top. Under the direction of coaches Lisa Cole, and David Hall, team members practiced daily and ranked themselves on a ladder. Positions on the ladder range from 1-6 singles and two doubles teams. Right now the main goal is to build up the team over the summer for next year's season.

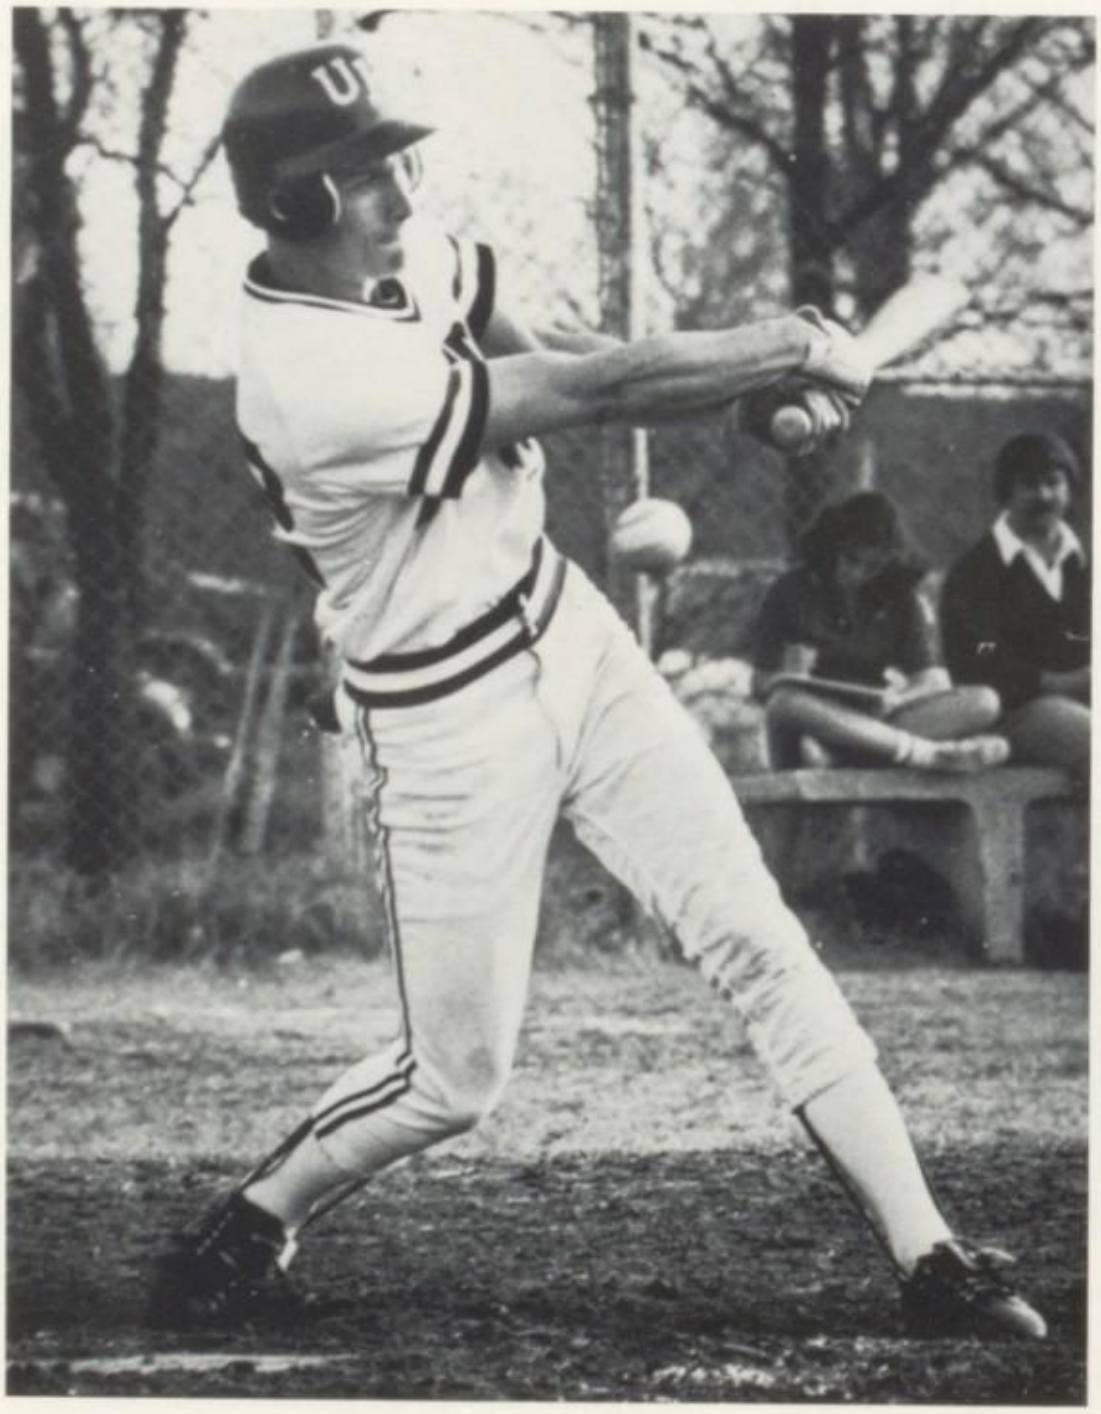
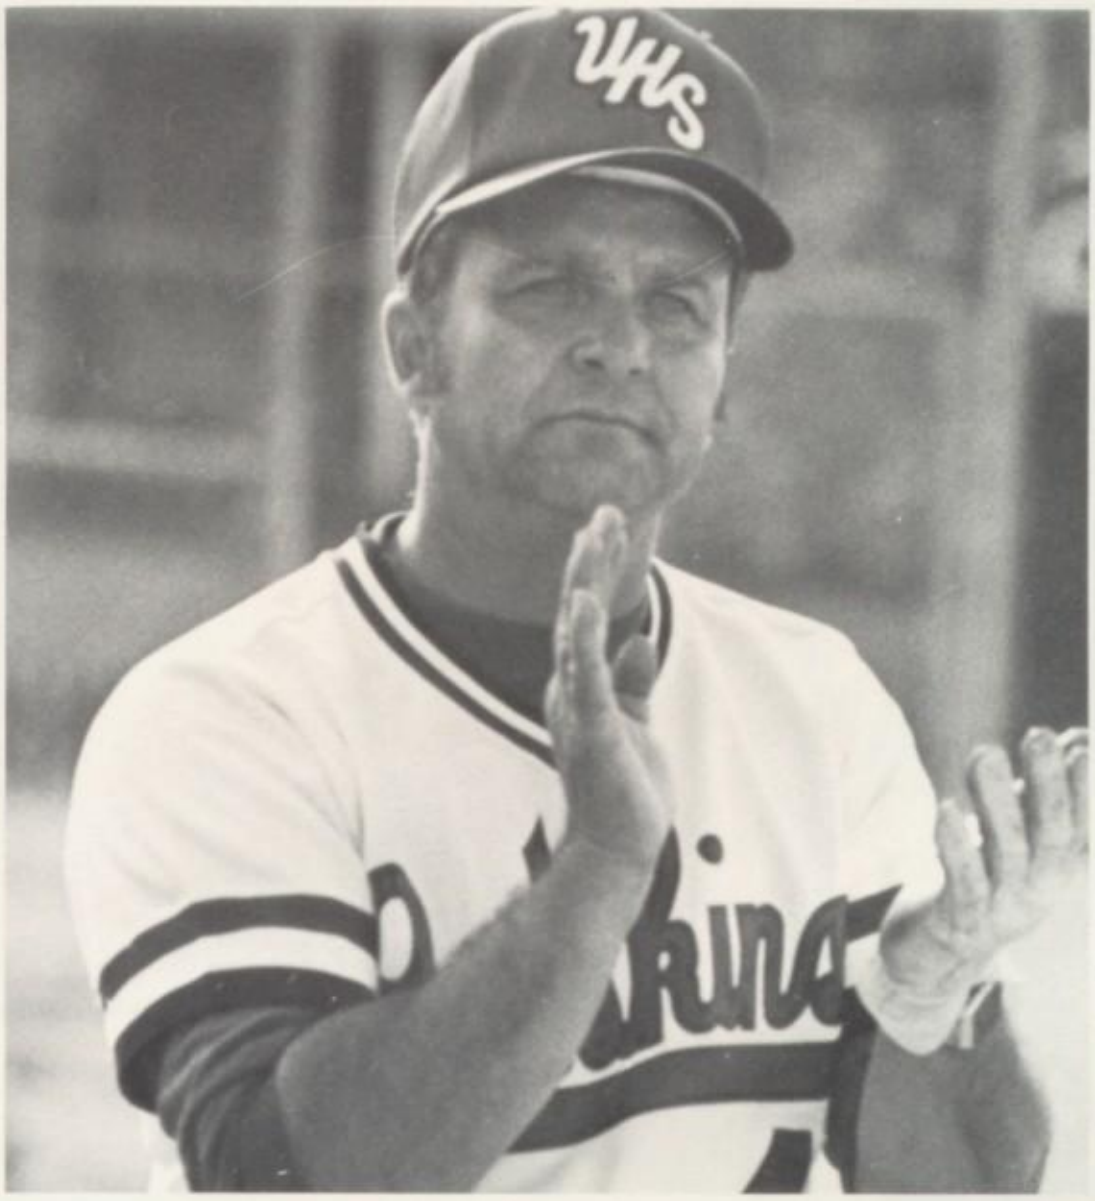
State in View

Self discipline, devotion, and hard work are just a few of the qualities an athlete must have. To sharpen these skills, the Redskins baseball team began practice in mid January. Union returned eight seniors from last year's team providing the experience to make them one of the best teams around.

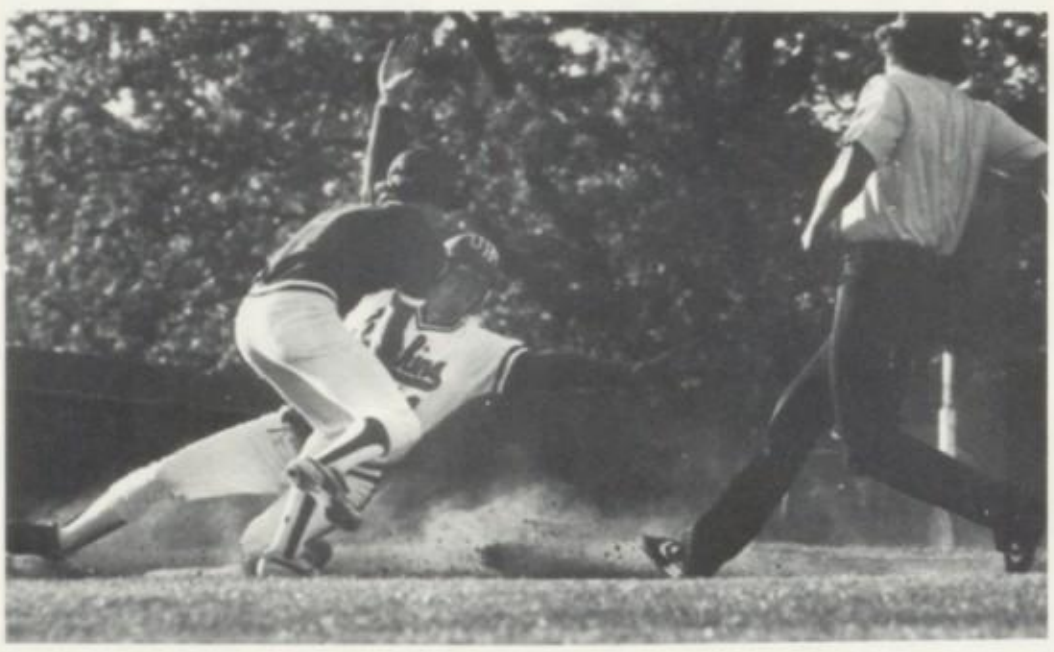
On April 17, Union Captured the Metro Tournament title at Sutten stadium by defeating highly ranked Rogers High, 3-2, Key hitting by Shannon Dobson and Phil, Bryant gave the Redskins just the points they needed to defeat Rogers. Junior Kyle Irvin recorded six strikeouts, allowed only five hits, and blanked the Rogers the final six innings to clinch the title.

The team, coached by Larry Arrowood, is determined to go to state this year and it looks like they are on their way.





The Redskin Basketball Team ended their season with a 24-12 record. Coach Larry Arrowood lead this team into Regional playoffs and won 1st by defeating the Memorial Chargers 7-0. The Redskins advanced the first round of state playoffs and were defeated by Moore 2-1.



Front Row — Shannon Dobson, Darren Dennis, Steve Heck, Scott Smith, Rob McKnight, Robert Shears. **1st Row** — Tyle Perrin, John Ecton, Randy Gordon, Phil Bryant, Raid Elauf, Kyle Irvin. **Back Row** — Coach Sandy Hanlin, Brett Freeman, Mike Rohling, Bryan Anderson, Joey Farrier, Brent Mills, Butch Decker, Coach Larry Arrowood.

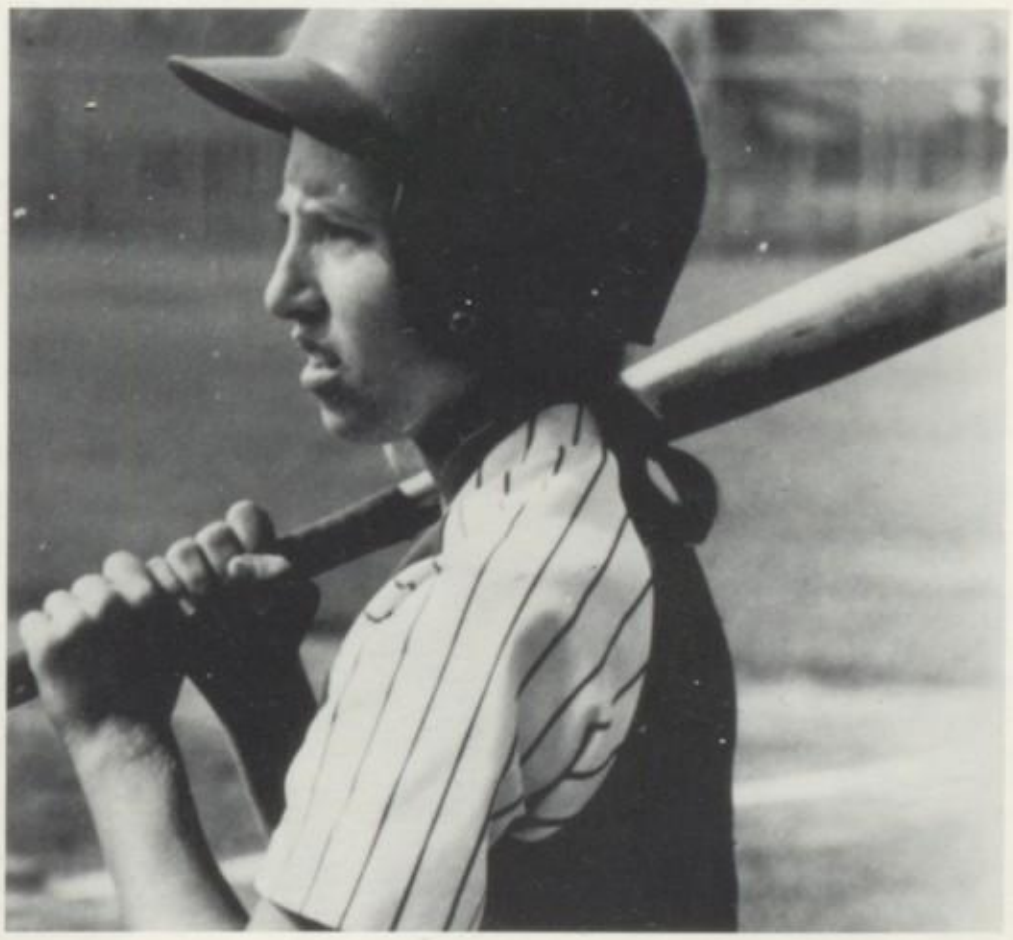
Number One In District

The softball team did an outstanding job this year as they ended their season with a 17-6 record. This was accomplished by the 15 member team and of those, six were returning starters.

Union's schedule was pretty tough but with a good team they did well. "Our hardest team we played was Bartlesville Sooner. They were defending state champions with eight returning starters," said head coach Don Jones. Despite this fact, Union went on to take District Champs for the 1981-1982 season.



Unions New Wet Sport

Starting their first year here at Union, the swim team began working early building the program for the season's competition.

Practice for team members consisted of running and lifting weights to develop strong arms and swimming sets like runners do in track. The girls set up their practices throughout the year, working before and after school and on weekends.

This year at state, Kelly Niles, Union's only qualifier, placed 2nd in the 100 yard back stroke and 7th in the 200 freestyle. The main goal is to develop the team for a bigger year next season.

Team members are: Coleen Cunnane, Coach Bill Padgett, Kelly Niles, and Dennis Casey.

She has received the honor of being in the 1980-82 All District and All State Honor Bands. Twelve Superior ratings have been awarded to her in percussion, specifically the mallets. Leonda was escorted by Charles Emerson.

Charlie has also been in band for eight years. He is a member of the All-District Honor Band and an alternate to the All-State Honor Band. He also participated in the All Senior Honor Band and was head of the Renegade Regiment percussion section. Leonda and Charlie are both in the percussion section of the Tulsa Youth Symphony.

Valedictorian

In the 1982 school year, four Seniors graduated from Union with a 4.0 grade point average. Steve Tannehill, Renee Cook, Julie Seigfried, and Allison Hendrickson have maintained straight A's for four consecutive years. The person who received the second highest grade point average, being named Salutatorian, was Gwen Gooch.

These students were not just "book worms" in high school, but they have all been very involved in many school activities. Steve has been in Select Choir, Jazz Choir, and the Science Club; Renee has been in Colorguard, Choralettes, Drama, a class officer, and plans on making a career in performing arts and dance; Julie has been in Colorguard and the soccer team; Allison has been in Select Choir, Chamber Singers and Madrigals; and Gwen has been in Choralettes, President of National Honor Society, French Club, and an active member of FCA.

Athletes Excel!!

Outstanding Athletes for 1982 are Ernie Fisher and Rachel Williams.

Ernie has participated in football, basketball and track. As defensive end for the Union Redskins, Ernie was the nemisis for many opponents. For his outstanding play was named to local all city teams and was one of the team's all-state members. In addition to the awards, Stanford University selected him to become a member of their nationally recognized football team.

Rachel, a pretty Union senior, is one of the state's outstanding track stars. She has run for four time coach of the year, Jim Bradshaw the four years she has attended Union High School. An all-state winner six times, Rachel runs cross-country, the 2 mile and mile relay for the Union Track team.

Good Luck, Rachel and Ernie.

Mister Union

Todd Bullock has been a very active student during his two years at Union. He has played football during his four years of high school and helped lead our team to the state play-offs. He was chosen for the all-state football team in 1982. He has also wrestled for three years and achieved the honor of being a heavyweight state champion wrestler. He also participates in track and is the photographer for Family Living.

and

Diane Duckworth has attended Union since ninth grade. She received the honor of being both a wrestling and football attendant. She has been a member of National Honor Society, vice president of the Senior class and secretary of FCA. She participated in choralettes, was captain of colorguard and played tennis for two years. She also was co-captain of the gymnastics team and made state for three years.

Miss Union

Seniors of the Month

Being chosen for a Senior of the Month is quite an honor. The students are nominated by the Student Council for their leadership, pride, and accomplishments they have achieved throughout their years at Union. These eighteen students represent the excellence Union is known for throughout the State.

The End

This was it, folks! The Senior class of 1982 bid their teachers and peers farewell throughout the week. Beginning with the Senior Tea for the girls and their mothers and the awesome Senior Showcase, ending with the Breakfast and Graduation. At the Senior Showcase we had a sneak preview of the 1983 Union Borallettes, JoJo and the Dodes, the Union Lubeners, and who can forget the bathroom skit? The morning of graduation Seniors woke early for their Senior Breakfast which was held at Indian Springs Country Club. Mr. Davidson was the guest speaker. The week ended with Graduation held with mixed feelings as the Seniors headed off into a life on their own — all representing Union with spirit and pride forever.

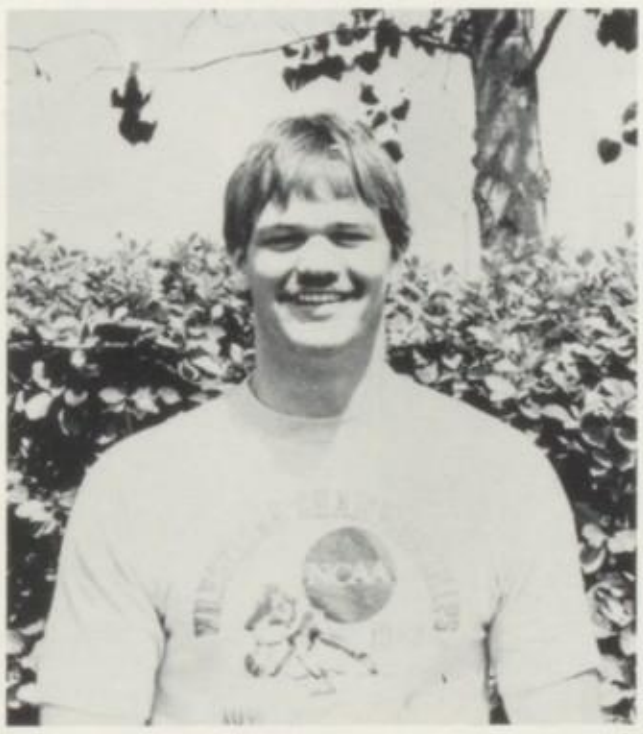
National Merit Finalists — Jeff Gibbons, Gwen Gooch, and Doug Gibson

Lynn Phillips — All State Chorus

Leonda Gage — All State Band

Michelle Anderson — Miss Oklahoma Homecoming Queen



Jack Chamberlain — All State Wrestling

This page is dedicated to those Union students who have gone beyond the average saga of school life and expanded upon their talents. (We could only put a few here.) Union has been very lucky to have three students qualify as National Merit Finalists. Xoug Doug Gibson, Gwen Gooch, and Jeff Gibbons were in the top .5 percent in the nation in their scores on the PSAT and the SAT. In addition to the Finalists, Wyn Featherston was chosen as a Semifinalist. Leonda Gage and Lynn Phillips made it through very strenuous auditions to make All-State in Band and Chorus. Leonda's music has brought her a scholarship to Tulsa University this fall. Lynn sings in numerous choirs in school, but is also the lead singer for the Heaven Generation Singers. Michelle Anderson represented Union in the Miss Oklahoma Homecoming Pageant and won. She will be representing Oklahoma in the national contest in Las Vegas this summer. Jack Chamberlain was Union's only qualifier for All-State Wrestling. He has been wrestling for 5 years and has qualified for state for three. Rene Lyman was a contestant in the Miss Keystone Pageant and the Miss Tulsa Pageant where she received Most Talented. In the Keystone Pageant she was first runner up and in the Tulsa Pageant she was third runner up. Congratulations to all these students. Rene Lyman — Most Talented in the Miss Tulsa Pageant.

Commencement

Steve Davis' stirring speech to the class of '82. The thunderous ovation to Rod Cameron and the advice of the valedictorians highlighted the graduation of the 61st graduating class of Union High School. Oral Roberts University Mabee Center was again the site of Union's graduation. The large audience applauded and cheered on their favorite graduate as he received his diploma. Three hundred thirty-five seniors graced the stage, culminating in Pres. Mike Chasteen's memorable coup de grace.

Jr. Class Officers — Pres. Brian Coday, Vice Pres. Tracey Spears, Treasurer Cindy Darrough, Secretary Kirsten Whealy.

Sophomore

Secretary: Lisa Knowles, President: Bryan Craig, Vice President: Lori Bushyhead

The Sophomores have shown school spirit this year by winning first in the spirit chain contest, second in the wall decoration contest, and participated in the homecoming parade and carnival. They are well on their way to building a class that will lead to new heights of school spirit at Union.

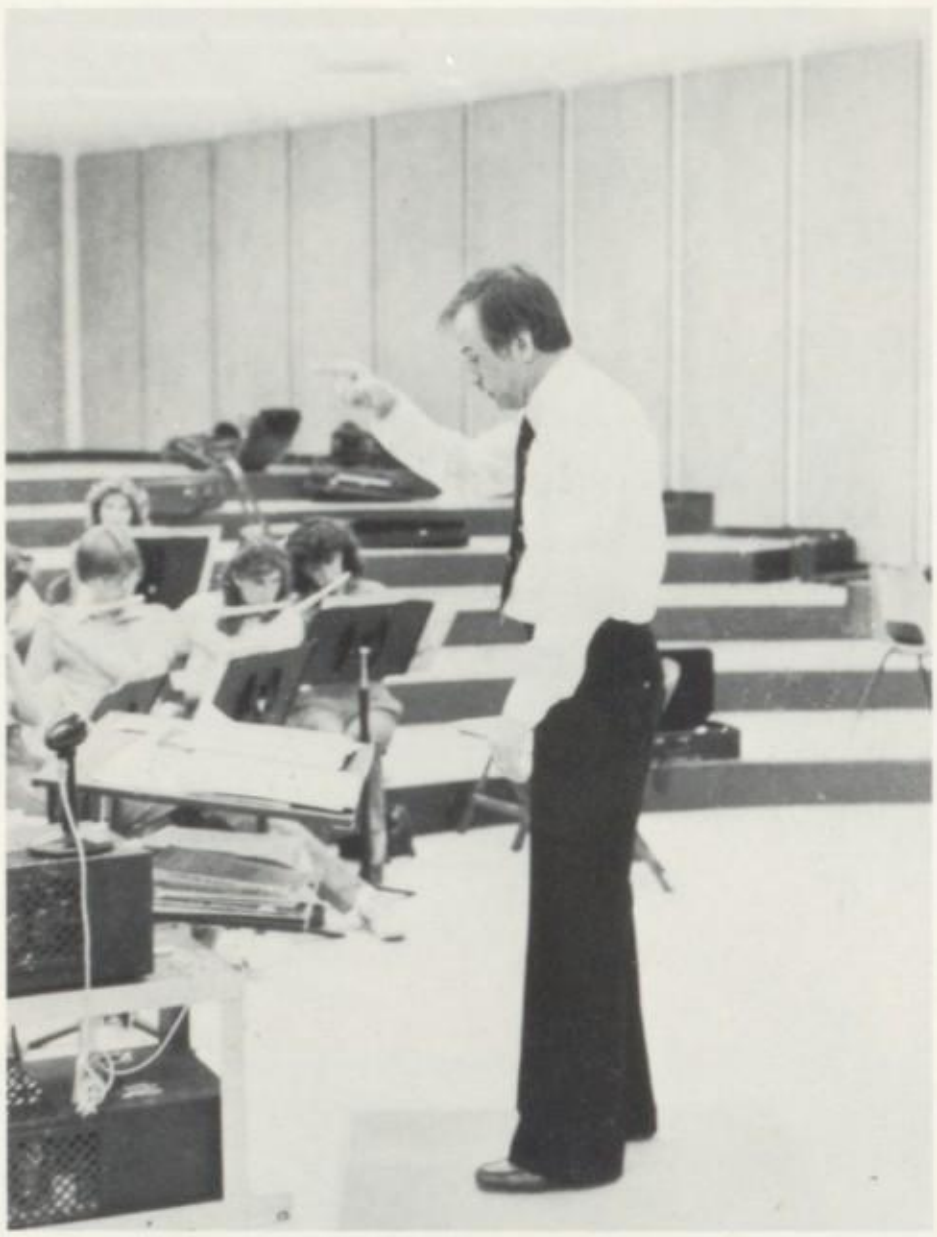
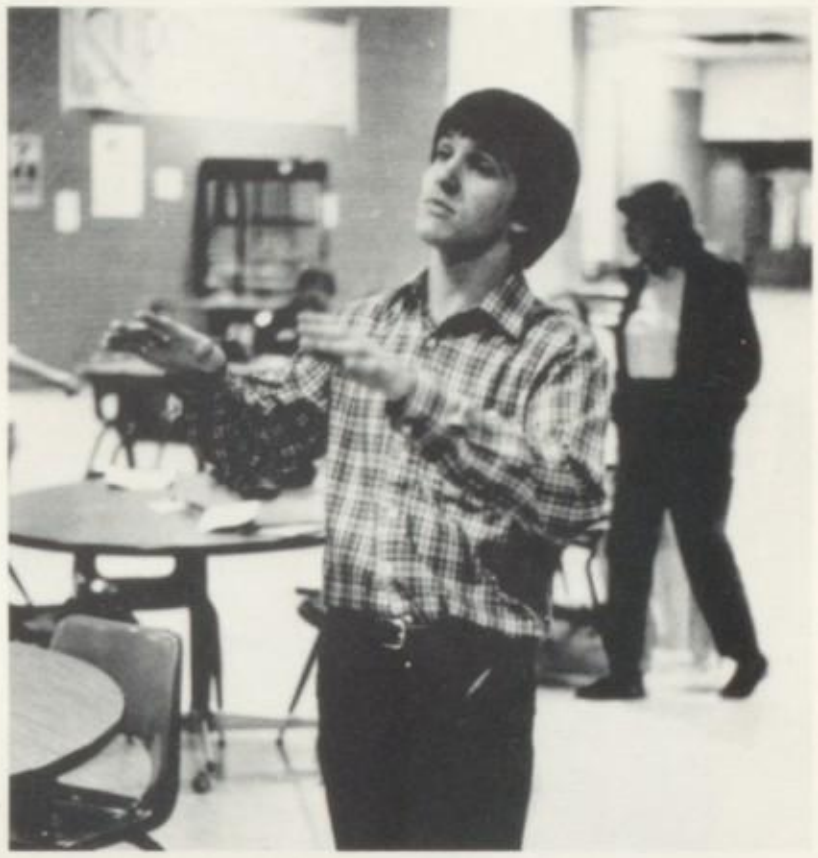
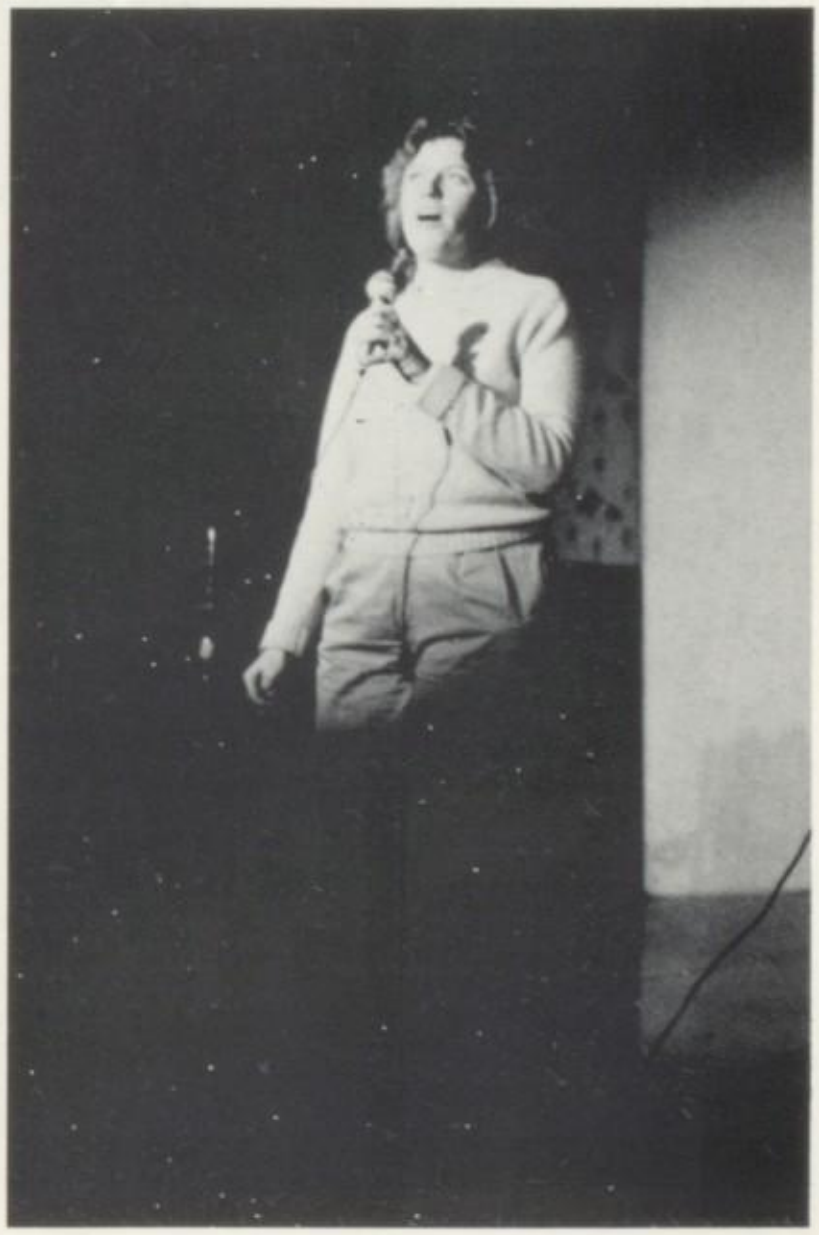
Faculty . . .



Act VI

Our leaders, our friend, and our educators. Without them our education would be nothing. Through all the tests, homework and the long hours of study the teachers here at Union were behind us all the way.





Gerald Williams
Principal

Bill Grove
Assistant Principal

Don Davidson
Assistant Principal

Under the new direction of principal Jerald Williams the 1981-82 school year was a success. Mr. Williams brought new and fresh ideas from Edison where he was principal last year and turned them into something great. Along with the principal we had our vices. Mr. Don Davidson and Mr. Bill Grove supported Mr. Williams and kept things going. Mr. Grove, after serving as vice-principal for four years, retired this year but he still worked with the school district. We're fortunate to have these fine men as our leaders.

Counselors

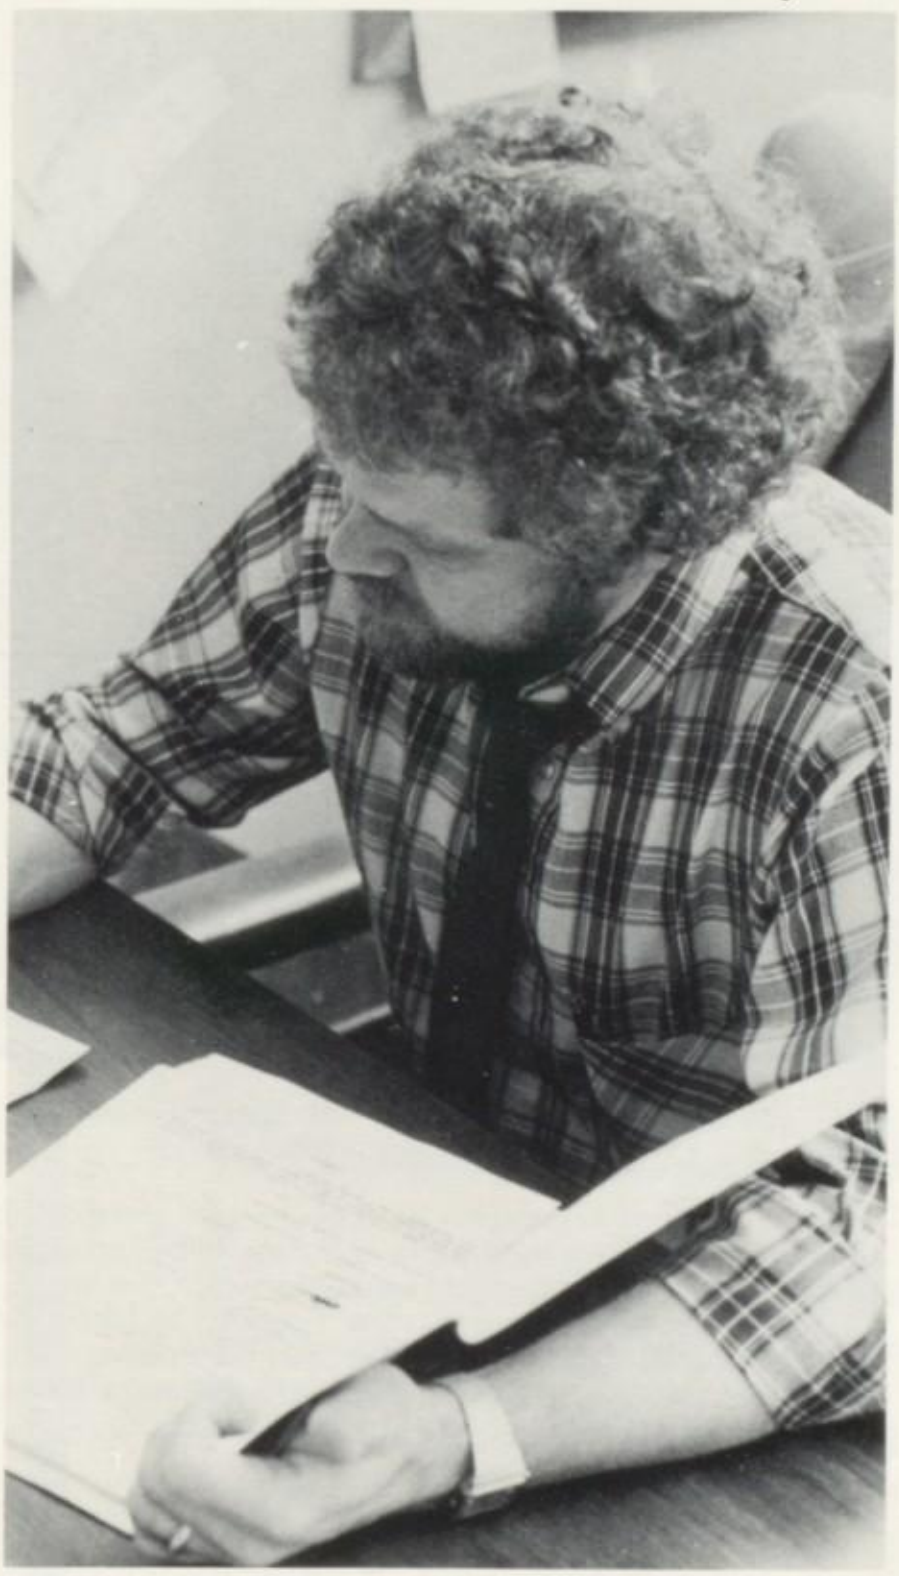
Bill Mann

Joan Stuckey

Reamonelle McEllhaney



One of the most utilized groups of faculty is the one residing in the guidance office. These people deal with the whole spectrum of the human drama. They have witnessed the successes and failures, solutions and problems, joys and pains of countless youths. But they are not here merely to bear testament to the humanity that parades before them yearly. They help grease the cogs in the process of educating the pillars of 21st. century American society. And they care . . .

The Board of Education is a dedicated group of five people who are elected by the community to serve in the best interests of the parents and students in the district.

The school board meets once a month to make decisions concerning personnel, finances and building.

It is the ultimate goal of the Board to provide the best possible education for each student within the district's eight schools.

The office personnel play a big part in a student's day. Between answering phones and keeping track of absences, they're writing passes and sending students to class. If it weren't for office aides, these women would be in big trouble. We're thankful for such dedicated secretaries!

The English Department is the largest one here at the high school. During the year teachers prepare students for college in writing and reading skills by going over what they've learned in previous years. A Senior's year is full of essays, term papers and the dreaded Shakespeare stories. Through it all students do understand the English language better.

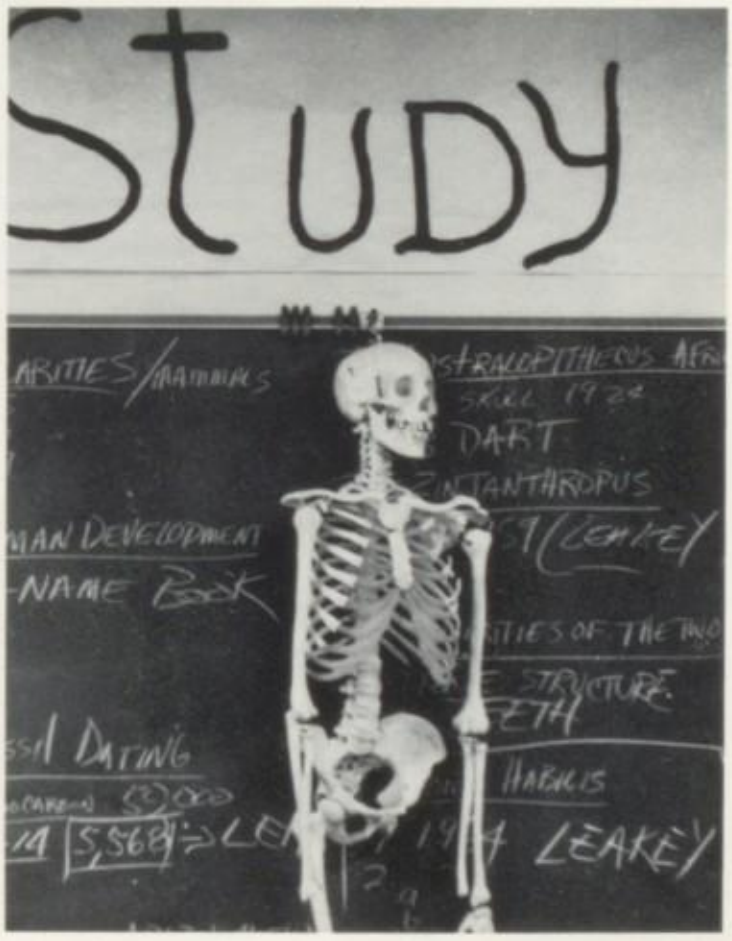
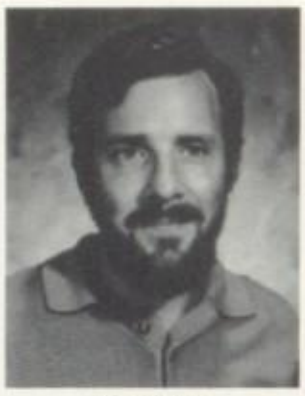
Plant life, human life and the solar system are just a few of the classes offered through our science department here at Union. So large is the interest in it, that many students have completed all the courses offered and are now taking college classes in chemistry and physiology. Future plans of the department are to broaden the courses available and build a green house for further plant study.



History



Joe Elder

Diane Walker

Steve Miller

If you want to know who our president was, ask any history student and you'll find out. Our history department has grown considerably in the past years with help from its outstanding staff. Students were taught about our democracy, economics and our heritage as far back as possible. No one can ever say — history is not important.

Can you add and subtract?

Mathematics department at Union is the best one of all. There is a wide range of classes for the business bound student.

If you want the basic math skills there is General Math, and those who plan to major in Math may find Calculus to be the answer. You might not enjoy Math, but with good and understanding teachers you may begin to like it. Math is 2 good 2 be 4 gotten.

P.E.

Larry Arrowood

Jeanie Buck

Besides athletics, Physical Education is one of the most active classes in the school. Students are subject to activities such as volleyball, softball, and physical workouts, as well as basketball and lifting weights. Having a choice of what kind of class you wanted to be in really made it easier. There were three classes — Girls, Boys, and Co-Ed. The P.E. teachers felt that with a choice of the class the student could be in, it was easier for them to participate.

If you've ever wanted a taste of the working world, the business department is the place to be. Throughout the year, typewriters are working away setting new goals and calculators are out in full force. Students learn shorthand, business management and typing skills to help them before they graduate and begin working in the business world. The teachers show the students everything they know and thanks to the good equipment and facilities here, it makes learning it all so much easier.

The Fine Arts department has achieved many goals this year as they began their climb to the top. The drama classes presented one act plays throughout the year with great success. The music department performed at dinners and social events throughout the city of Tulsa. Both the music and drama groups combined did an outstanding job and deserve the credit they've earned.

Hola Amigo

Parlez-vous francais? Habla usted espanol? If you can answer either one of these then you know Union offers French and Spanish. You learned about other countries' culture as well as their language. Both classes go on a trip to the country they are learning about which only adds to one's knowledge. If you don't do well in English why not take a foreign language. Au revoir!

Jacqueline Reed

Patricia Deuvall

Industrial Arts

Union has a terrific industrial arts department and it shows thru their program. Students enrolled learn skills in welding, woodcraft and mechanics. Most who enroll have usually chosen one of these as a career and are ready and willing to learn.

Driver Ed.

Kurt Reisner

Driver's Ed is where most students get their first experience in driving. Teaching this to the students is a large responsibility and ours were the best. In Driver's Ed students are taught not only how to drive and operate a car but are taught proper maintenance of a car. Along with that, this was the first year students were required by the state of Oklahoma to complete driver's ed before receiving their license.

Services

Connie Keller

Donna Brown

Andrea Tight

Andrea Tight and Donna Ciucci try to provide their students with creative work and a warm atmosphere.

Mrs. Tight, as the Special Services coordinator, takes care of the referrals and testing of all students.

Connie Keller as the A.R.C. (Academic Resource Center) co-ordinator, feels that, since the program is new, there is ample opportunity to try different approaches and techniques.

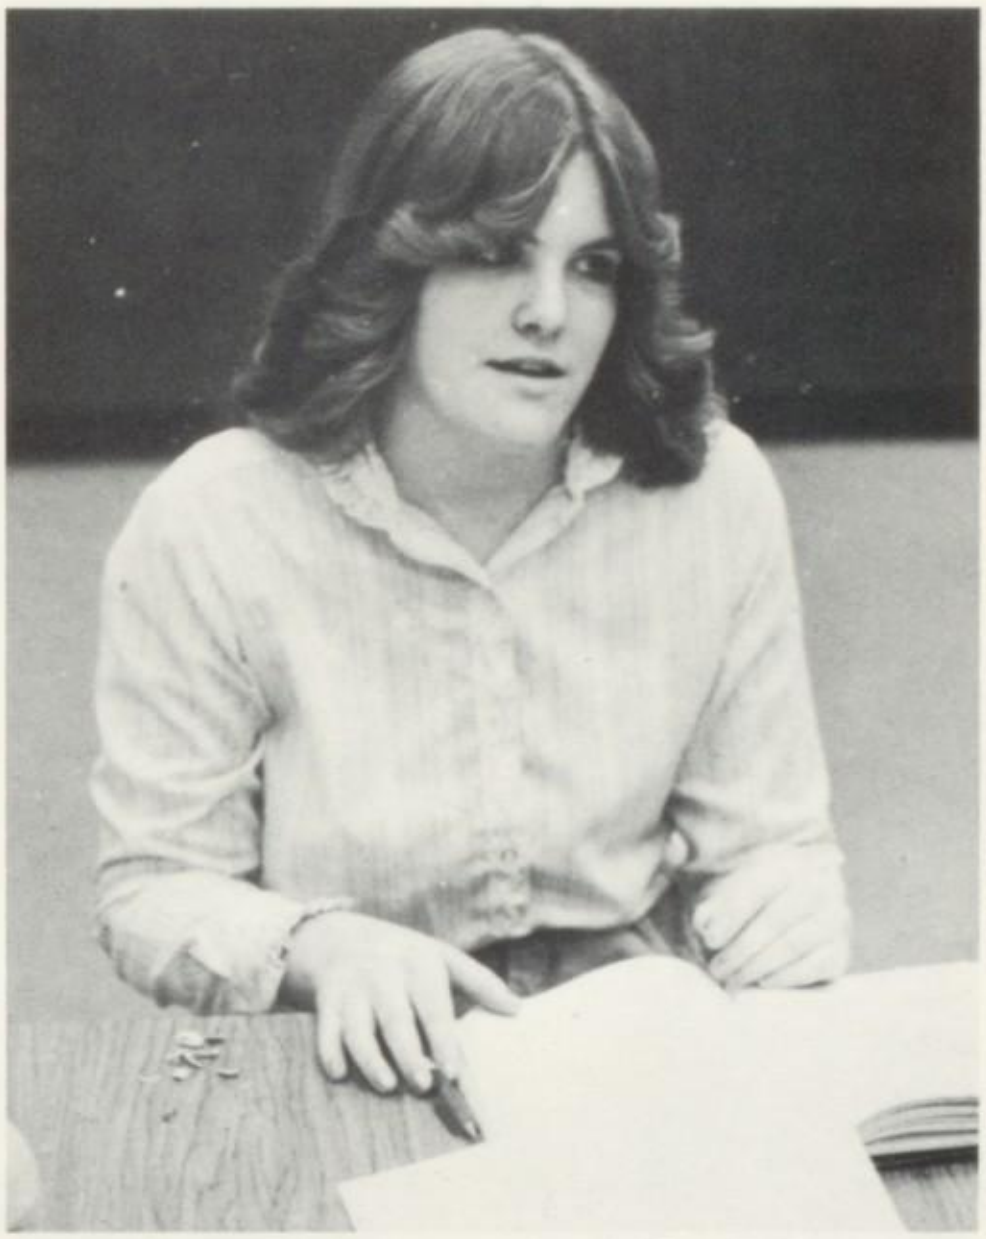
Learning to Live, Cook

Home Ec students found themselves quite busy this year as they were taught everything from sewing on a button to preparing a full course meal. Students interest in family living and single survival increased with a large part of these being male. Guys wanted to learn how to cook and do household chores just as much or even more than the female members. Is this surprising or is this surprising?



JoAnne Bradshaw

Mary Beth Webb

On the Way Up

Our growing library has been most helpful this past year. The librarian worked hard keeping it nice and new books for the students' convenience. Since the library has been moved over into the new section, everything has been more organized and easier for students to find materials they need without hallway congestion of the past. Congratulations go to the hard work our librarians have done.

Front Row — Alice Hudson, Fran Pearson, Barbara Hunsberger. **Back Row** — Evelyn Wolfe, Wanda Dalke, Merline Planer, Mary Housdan.

Cooks and Cleans

The janitor and cooks are seldom recognized the work they put into our school. Here at Union we have a very qualified staff who spend many long and hard hours cleaning our school and preparing our lunches for us. Without them the school would be one large pit full of starving kids. Thanks for your help!
